Bill/Resolution No.: SB2318 Amendment to: Eng. SB2318

Requested by Legislative Council Date of Request: 3-14-97

- Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

The bill would require the Department of Human Services to outsource the development and implementation of a program of compulsive gambling treatment services to qualifying treatment service providers, and increase the appropriation for local gaming enforcement. The bill would fund these items by appropriating the amount, if any, of gaming and excise taxes and interest collected that exceed \$2,763,000 each quarter. This amount for each of 8 quarters in the 1997-99 biennium would equal a base line of \$22,104,000 of gaming revenue collections for the general fund.
