9 businesses during the taxable year, subject to the following:

- 10 1. The aggregate annual investment for which a taxpayer may obtain a tax credit
11 under this section is not less than five thousand dollars and not more than fifty

4 must be expended by the qualified business for plant, equipment, research and
5 development, marketing and sales activity, or working capital for the qualified
6 business.

10 any conditions under this section or any conditions consistent with this section
11 otherwise determined by the tax commissioner. The amount of any credit
12 disallowed by the tax commissioner that reduced the taxpayer's income tax liability
