Conference Committee changes narrative:

The section added by the House is included which provides that an essential telecommunications service includes access to directory assistance rather than local exchange directory assistance.

Funding and FTE positions are provided at the Senate level. The House had restored the FTE attorney position and related funding removed by the Senate, reduced salaries and wages funding by \$150,000, reduced operating expenses by \$20,000, and made a \$30,000 funding source change from the general fund to federal funds.
