A section is added authorizing the State Historical Society to transfer funds between the capital improvements line item and the Lewis and Clark bicentennial line item without Emergency Commission approval.

Sections added by the House are included. These sections affect the State Historical Society's 1997-99 appropriation by:

1. Appropriating an additional \$4,900 of federal funds for equipment.
2. Authorizing a line item transfer of \$34,886 from the equipment line item to the operating expenses line item to provide additional funding for installing the collect records management system and to reduce funding available for equipment related to this project.
