- Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, and cities.

**Narrative:**

House Bill No. 1235 would require municipal judges to comply with judicial education requirements established by supreme court rule rather than having specific educational requirements enumerated in state law. There is no fiscal impact associated with this statutory change. However, a city would incur costs in reimbursing travel and subsistence expenses associated with attendance by the judge at required courses.
