(Return original and 10 copies)

Bill/Resolution No.: HB 1236 Amendment to: _____

Requested by Legislative Council _____ Date of Request: 1-13-99

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative: It is difficult to estimate an unknown, but based on our past experience, we could expect to spend up to 2 million dollars in a biennium. This would require the NDDOT to come up with 1 million dollars, regardless of what system it is on. In addition, the NDDOT would continue to take care of these matters on the state system and the other agencies would not have to contribute anything.
