Bill/Resolution No.: HB 1240

Amendment to: _____

Requested by Legislative Council

Date of Request: 1/13/99

- Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts. Please provide breakdowns, if appropriate, showing salaries and wages, operating expenses, equipment, or other details to assist in the budget process. In a word processing format, add lines or space as needed or attach a supplemental sheet to adequately address the fiscal impact of the measure.

Narrative: HB 1240, if enacted, will impose a maximum income limitation on and a limit on the amount of exemption for disabled veterans, persons confined to wheelchairs, and blind persons. These limits will result in an increase the value of taxable property .

While HB 1240 will increase the value of taxable property of counties, cities, and school districts, it does not require an increase in property taxes. Any change in property tax revenue will be the result of county, city, or school district decisions as to the level at which government services will be funded, and not as a result of the passage of HB 1240. This bill alone causes no fiscal effect to the counties, cities, or school districts. There will be an indeterminable increase in the property tax revenue from the one-mill state medical center levy.
