Bill/Resolution No.:                      HB 1310                      Amendment to:                     

Requested by Legislative Council                      Date of Request: 1-13-99

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

**Narrative:**

House Bill 1310 requires the use of a ten (10) year design criteria when highways are constructed or reconstructed in the future. The Bill also requires the State Engineer to determine the ten (10) year flood event for each crossing. Assuming the State Engineer would provide this service only when requested, the determination would be made using existing staff at no additional cost.

Also, since current law requires the "maximum quantity of water" as the design criteria, HB1310 requirement of a 10-year minimum design standard should not result in a
