***NORTH DAKOTA WORKERS COMPENSATION BUREAU  
1999 LEGISLATION  
SUMMARY OF ACTUARIAL INFORMATION***

***BILL DESCRIPTION:***      Fee Schedules and Managed Care

***BILL NO:*** HB 1333

***SUMMARY OF ACTUARIAL INFORMATION:*** The Workers Compensation Bureau, with the assistance of its Actuary, Glenn Evans of Pacific Actuarial Consultants, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation allows the Bureau to update its hospital and medical fee schedules through a simple notice and hearing process, rather than the lengthy administrative rulemaking process; and allows the Bureau to operate its managed care programs either with its own staff or through an outside service vendor.

***FISCAL IMPACT:*** Anticipate no rate or reserve level impact, however, the Bureau anticipates a cost savings can be achieved relating to the administration of certain components of its managed care program giving the flexibility to carry out these services internally rather than contracting with outside vendors for these services.
