Requested by Legislative Council Date of Request: 3-11-99

- Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

This bill would authorize the Office of Attorney General to issue a special license to an organization that only conducts "calcuttas" and that conducts them in more than one city or county. The annual license fee would be \$500. The present license fee is \$150 for each city and county in which an organization conducts games.

A "calcutta" is a game in which competitors in a sporting event are auctioned off to players who bet on the performance of the competitors. The total amount bid (bet) by all the players is pooled. The players who bet on the winning competitors may win up to 90% of the auction pool.
