FISCAL NOTE NARRATIVE

HB 1443 establishes a three-hundredths of one percent workforce training investment fee on employers based on taxable wages paid to employees each calendar year. Public and private school and employers with less than 25 employees would be exempt from the annual workforce training investment fee. The taxable wages for assessing the fee would be the same as established in Chapter 52-04 for unemployment contribution purposes. The fee would be assessed annually. The workforce investment fee is projected to raise \$1,071,000 for the 1999-2001 biennium and \$1,792,000 for the 2001-2003 biennium. The fee impact on county and city government is estimated to be \$50,300 in the 1999-2001 biennium and \$85,800 in the 2001-2003 biennium. The fee impact on the state as an employer is estimated to be \$101,400 in the 1999-2001 biennium and \$172,900 in the 2001-2003 biennium.
