FISCAL NOTE

(Return original and 10 copies)

Bill/Resolution No.: SB 2045 Amendment to: _____

Requested by Legislative Council Date of Request: 12-10-98

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

   Narrative: NDCC Chapter 23-35 will update the laws that govern local public health and repeal NDCC chapters 23-03, 23-04, 23-05, section 23-07-04 and chapter 23-14. Section 23-35-02 also includes language requiring all land in the state to be included in a public health unit by 1-1-2001. This would affect Rolette, Towner, LaMoure and Dickey counties which currently do not provide a formal public health structure; the cost for each of these counties would be determined by the county commissioners (counties are authorized to levy up to 5 mills for a public health district).

2. **State** fiscal effect in dollar amounts:

	1997-99 Biennium		1999-2001 Biennium		2001-03 Biennium	
	General Fund	Special Funds	General Fund	Special Funds	General Fund	Special Funds
Revenues:						
Expenditures:	None		None		None	

State Block Grant funds would be reallocated to include the four counties. No additional general funds are being requested.

3. What, if any, is the effect of this measure on the appropriation for your agency or department:
   a. For rest of 1997-99 biennium: None
   b. For the 1999-2001 biennium: None
   c. For the 2001-03 biennium: None

4. **County, City, and School District** fiscal effect in dollar amounts:

1997-99 Biennium			1999-2001 Biennium			2001-03 Biennium		
Counties	Cities	School Districts	Counties	Cities	School Districts	Counties	Cities	School Districts
			$160,000-$400,000			$160,000-$400,000		

The cost for each county would be determined by the county commissioners, possibly based on the population and level of service to be provided. An estimate of $40,000-$100,000 per biennium for each of the 4 counties is included above.

If additional space is needed, attach a supplemental sheet.
