Requested by Legislative Council Date of Request: 12-30-98

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

This bill would primarily clarify and consolidate the gaming law. The bill would require an organization that discontinues gaming and has undistributed net proceeds to file an action plan with the Office of Attorney General; enable the administrative rules to set criteria for determining the number of twenty-one tables that is necessary for a site on which rent is based; enable a veterans organization to use net proceeds to establish a special trust fund to maintain a veterans cemetery; and provide the Office of Attorney General with authority to require an organization in poor financial condition to make monthly estimated tax payments and assess a monetary fine on an organization that has a local permit.

This bill would not expand gaming in North Dakota.
