(Return original and 10 copies)

Bill/Resolution No.: _____ Amendment to: Eng. SB 2181

Requested by Legislative Council _____ Date of Request: 3-5-99

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative:

Senate Bill No. 2181 was drafted to be budget neutral. It should have no fiscal impact, assuming the number of resident and nonresident agent applications does not decline from its current level. The amendments put back in the concept of a "limited insurance representative" without adding back in a fee for the commissioner to charge for issuing such a license. This is not expected to have a fiscal impact because the Insurance Department rarely, if ever, licenses anyone as a limited insurance representative. However, the bill should be amended to add a fee for issuing the license.
