(Return original and 10 copies)

Bill/Resolution No.: _____ Amendment to: SB 2267

Requested by Legislative Council Date of Request: 2-8-99

1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts.

Narrative: Over the last 6 years, the income from the interest has averaged \$750,000 per year or \$1,500,000 per biennium. 60% of the income would average \$450,000 per year or \$900,000 per biennium. Currently the DOT receives these funds and uses them as match for federal funds. If the DOT did not get these funds, they would need an additional \$900,000 per biennium in state funds to match federal funds. The counties and cities would have an additional \$900,000 per biennium to help fund roads to recreational, tourist, and historical areas.
