/Resolution No.: SB 2304

Amendment to:

Requested by Legislative Council

Date of Request: 1/20/99

- 1. Please estimate the fiscal impact (in dollar amounts) of the above measure for state general or special funds, counties, cities, and school districts. Please provide breakdowns, if appropriate, showing salaries and wages, operating expenses, equipment, or other details to assist in the budget process. In a word processing format, add lines or space as needed or attach a supplemental sheet to adequately address the fiscal impact of the measure.

Narrative: If enacted, SB 2304 would provide an income tax credit for property taxes paid contingent upon the general fund ending balance exceeding the estimate by more than 200%. The forecast assumes an accurate estimate of the general fund ending balance and therefore, there is no estimatable fiscal impact to SB 2304.
