Representatives Berg, Haas, R. Kelsch, L. Thoreson Senators Freborg, G. Nelson

- 1 A BILL for an Act to create and enact seven new sections to chapter 15-47 of the North Dakota
- 2 Century Code or in the alternative to create and enact seven new sections to chapter 15.1-21
- 3 of the North Dakota Century Code, relating to the testing of reading and mathematics.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. If House Bill No. 1045 does not become effective, a new section to chapter 15-47 of the North Dakota Century Code is created and enacted as follows:

Reading and mathematics - Administration of test. Beginning during the second half of the 2001-02 school year and annually thereafter, the superintendent of public instruction shall administer to students a test that is aligned to the state content standards in reading and mathematics. This test must be administered to at least one grade level selected within each of the following grade spans: grades three through five; grades six through nine; and grades ten through twelve.

SECTION 2. If House Bill No. 1045 does not become effective, a new section to chapter 15-47 of the North Dakota Century Code is created and enacted as follows:

Test scores - Compilation. The superintendent of public instruction shall arrange for the compilation of test scores in a manner that indicates achievement and allows a comparison of individual students, classrooms within a given school and school district, schools within the state, and school districts within the state. The test scores must also allow for comparisons based on students' gender, ethnicity, economic status, service status, and assessment status, unless doing so enables the identification of any student.

SECTION 3. If House Bill No. 1045 does not become effective, a new section to chapter 15-47 of the North Dakota Century Code is created and enacted as follows:

Test scores - Publication. Upon receiving notice that the compilation of test scores has been completed, the superintendent of public instruction shall inform the legislative council.

teachers participated.

1 The superintendent shall present the test scores publicly for the first time at a meeting of a 2 legislative committee designated by the legislative council. At the meeting, the superintendent 3 and representatives of the testing service that created the tests shall provide detailed testimony 4 regarding the testing instrument, the methodology used to test and assess the students, and 5 the significance of the test scores. 6 **SECTION 4.** If House Bill No. 1045 does not become effective, a new section to 7 chapter 15-47 of the North Dakota Century Code is created and enacted as follows: 8 Superintendent of public instruction - Review of test questions. The 9 superintendent of public instruction shall require that the entity developing a test to be 10 administered under section 1 of this Act not include questions that might be deemed personal 11 to a student or to the student's family and that the entity developing the test not include 12 questions requiring responses that might be deemed personal to a student or to the student's 13 family. Before a test is finalized for use in this state, the superintendent shall require that the 14 test be reviewed by a standards alignment committee appointed by the superintendent to 15 ensure that the test meets the requirements of this section. 16 **SECTION 5.** If House Bill No. 1045 does not become effective, a new section to 17 chapter 15-47 of the North Dakota Century Code is created and enacted as follows: 18 Professional development - Use of available funds. 19 On or before October first of each year, each school district shall file a report with 20 the superintendent of public instruction indicating: 21 The amount and source of funds that were made available to the district for 22 professional development during the preceding school year; 23 The amount and source of funds that were expended by the district for b. 24 professional development during the preceding school year: 25 The number of district teachers who participated in professional development C. 26 activities during the preceding school year; 27 d. The source of funding for the professional development activities in which the

teachers participated during the preceding school year; and

The nature and scope of the professional development activities in which the

1	2.	The superintendent of public instruction shall compile the information submitted
2		under this section to determine how much of the available funding for professional
3		development was used by school districts in this state and, beginning with the
4		reports due on or before October 1, 2002, whether the expenditure correlated with
5		increased student achievement on the reading and mathematics tests required by
6		section 1 of this Act.
7	SEC	CTION 6. If House Bill No. 1045 does not become effective, a new section to
8	chapter 15-	47 of the North Dakota Century Code is created and enacted as follows:

Content standards - Translation - Curriculum. Each district shall provide upon request a copy of its content standards in the areas of reading and mathematics, a translation of the district's content standards in the areas of reading and mathematics for individuals who do not have a background in elementary or high school education, and a copy of the curriculum or syllabus used by each teacher of reading and mathematics.

SECTION 7. If House Bill No. 1045 does not become effective, a new section to chapter 15-47 of the North Dakota Century Code is created and enacted as follows:

Test - Availability for viewing. Upon request, a school district must allow any individual over the age of twenty to view any test administered under this Act as soon as the test is in the possession of the school district.

SECTION 8. A new section to chapter 15.1-21 of the North Dakota Century Code is created and enacted as follows:

Reading and mathematics - Administration of test. Beginning during the second half of the 2001-02 school year and annually thereafter, the superintendent of public instruction shall administer to public school students a test that is aligned to the state content standards in reading and mathematics. This test must be administered to at least one grade level selected within each of the following grade spans: grades three through five; grades six through nine; and grades ten through twelve.

SECTION 9. A new section to chapter 15.1-21 of the North Dakota Century Code is created and enacted as follows:

Test scores - Compilation. The superintendent of public instruction shall arrange for the compilation of test scores in a manner that indicates achievement and allows a comparison of individual students, classrooms within a given school and school district, schools within the

the significance of the test scores.

- Legislative Assembly 1 state, and school districts within the state. The test scores must also allow for comparisons 2 based on students' gender, ethnicity, economic status, service status, and assessment status, 3 unless doing so enables the identification of any student. 4 **SECTION 10.** A new section to chapter 15.1-21 of the North Dakota Century Code is 5 created and enacted as follows: 6 **Test scores - Publication.** Upon receiving notice that the compilation of test scores 7 has been completed, the superintendent of public instruction shall inform the legislative council. 8 The superintendent shall present the test scores publicly for the first time at a meeting of a 9 legislative committee designated by the legislative council. At the meeting, the superintendent
 - **SECTION 11.** A new section to chapter 15.1-21 of the North Dakota Century Code is created and enacted as follows:

regarding the testing instrument, the methodology used to test and assess the students, and

and representatives of the testing service that created the tests shall provide detailed testimony

- Superintendent of public instruction Review of test questions. The superintendent of public instruction shall require that the entity developing a test to be administered under section 8 of this Act not include questions that might be deemed personal to a student or to the student's family and that the entity developing the test not include questions requiring responses that might be deemed personal to a student or to the student's family. Before a test is finalized for use in this state, the superintendent shall require that the test be reviewed by a standards alignment committee appointed by the superintendent to ensure that the test meets the requirements of this section.
- **SECTION 12.** A new section to chapter 15.1-21 of the North Dakota Century Code is created and enacted as follows:

Professional development - Use of available funds.

- On or before October first of each year, each school district shall file a report with the superintendent of public instruction indicating:
 - The amount and source of funds that were made available to the district for a. professional development during the preceding school year;
 - b. The amount and source of funds that were expended by the district for professional development during the preceding school year;
