SECTION 1. AMENDMENT. Section 40-22-18 of the North Dakota Century Code is amended and reenacted as follows:

40-22-18. Protest bar to proceeding - Invalid or insufficient protests - Payment of costs - Tax levy. If the governing body finds the protests to contain the names of the owners of a majority of any separate property area included within the district, not including property owned by a political subdivision, such protests shall be a bar against proceeding with the portion of such improvement project, the cost of which is to be assessed in whole or in part upon property within such area, but shall not bar against proceeding with the remainder of the improvement project or assessing the cost thereof against other areas within the district, unless such protests represent a majority of the area of the entire district. The termination of proceedings, by reason of protest or otherwise, shall not relieve the municipality of responsibility for payment of costs theretofore incurred; and for payment of such costs a municipality may, if funds on hand and available for the purpose are insufficient, issue its certificates of indebtedness or warrants, or levy a tax which shall be considered a tax for a portion of the cost of a special improvement project by general taxation within the meaning of section 57-15-10. If the protests are found to be insufficient or invalid, the governing body may cause the improvement to be made and may contract or otherwise
