Representative S. Kelsh

- 1 A BILL for an Act to amend and reenact sections 57-40.6-06 and 57-40.6-07 of the North
- 2 Dakota Century Code, relating to a 911 system data base.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 57-40.6-06 of the North Dakota Century Code is amended and reenacted as follows:

57-40.6-06. Data base. In 911 systems that have been approved by the state emergency services communication system advisory committee, any A telecommunications company providing emergency 911 service shall provide, on an annual basis, current customer names, addresses, and telephone numbers to each public service safety answering point within each 911 system and shall update the information according to a schedule prescribed by the state 911 advisory committee's standards and guidelines. Information provided under this section must be provided in accordance with the transactional record disclosure requirements of the federal Electronics Communications Privacy Act of 1986, 18 U.S.C. 2703 (C)(1)(B)(iii).

SECTION 2. AMENDMENT. Section 57-40.6-07 of the North Dakota Century Code is amended and reenacted as follows:

57-40.6-07. Use of the furnished information. Names, addresses, and telephone numbers provided to a 911 public service safety answering point under section 57-40.6-06 are private data and may be used enly for verifying the location or identity, or both, for response purposes enly, of a person calling a 911 answering point for emergency help. The In addition, a public safety answering point shall provide name and address, but not telephone number, information in the data base to the treasurer and auditor of the county in which the public safety answering point is located for the purpose of verifying and correcting names and addresses used for official purposes. However, the public safety answering point may not provide any information for an unpublished telephone number. If not otherwise provided, the information
