FIRST ENGROSSMENT

Fifty-seventh Legislative Assembly of North Dakota

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 3035

Introduced by

Representatives Fairfield, Boehm, Kerzman, Lemieux Senators Bowman, Tomac

1	A concurrent resolution urging Congress to support efforts to prohibit meatpackers from
2	owning, feeding, or controlling livestock for more than 14 days before slaughter and to amend
3	the federal Packers and Stockyards Act to accomplish this goal.
4	WHEREAS, the top four firms in steer and heifer slaughter control over 80 percent of
5	the market;
6	WHEREAS, this market share evidences more than double the concentration of
7	economic power these entities had just 15 years ago;
8	WHEREAS, when four packing firms have such a large share of the market, their
9	individual procurement decisions and practices affect the prices paid to producers;
10	WHEREAS, research strongly suggests that significantly depressed market prices have
11	accompanied increases in concentration in regional livestock markets; and
12	WHEREAS, competitive, fair, and open livestock markets are fundamental to the
13	economic survival of family farms;
14	NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES
15	OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:
16	That the Fifty-seventh Legislative Assembly urges the Congress of the United States to
17	support efforts to prohibit meatpackers from owning, feeding, or controlling livestock for more
18	than 14 days before slaughter and to amend the federal Packers and Stockyards Act to
19	accomplish this goal; and
20	BE IT FURTHER RESOLVED, that the Secretary of State forward copies of this
21	resolution to the Secretary of Agriculture, the chairman of the House Committee on Agriculture,
22	the chairman of the Senate Committee on Agriculture, Nutrition, and Forestry, and to each
23	member of the North Dakota Congressional Delegation.
