Introduced by

Senator Cook

1	A concurrent resolution urging Congress to eliminate the Social Security disability insurance
2	offset and supplemental security insurance offset for recipients of workers' compensation
3	permanent partial impairment benefits.
4	WHEREAS, employees who are injured and dependents of employees who are killed in
5	the course of working for North Dakota employers receive workers' compensation benefits; and
6	WHEREAS, more than 700 employees or dependents who receive workers'
7	compensation benefits also qualify for Social Security disability insurance benefits if the
8	employees are totally disabled and supplemental security insurance benefits based on financial
9	need; and
10	WHEREAS, federal law [42 U.S.C. 424a] provides for a reduction in Social Security
11	disability insurance benefits to those persons who are totally disabled and who receive workers'
12	compensation benefits; and
13	WHEREAS, federal law [42 U.S.C. 1382a] provides for a reduction in supplemental
14	security insurance benefits to those persons who receive workers' compensation benefits
15	notwithstanding the financial need of those people and their families; and
16	WHEREAS, an employee injured on the job may receive a permanent partial
17	impairment benefit from the North Dakota Workers Compensation Bureau based on the injured
18	worker's loss of use of a body part due to the work injury; and
19	WHEREAS, unlike other states, a permanent partial impairment award in North Dakota
20	is not based on wages lost or on the worker's ability to do his or her job; and
21	WHEREAS, the Social Security Administration also offsets North Dakota workers'
22	compensation permanent partial impairment awards against social security disability payments
23	even though the permanent partial impairment awards are not disability benefits; and
24	WHEREAS, the offset of permanent partial impairment awards results in a substantial
25	loss of benefits to the injured worker;
