AN ACT to amend and reenact section 54-52.1-03.1 of the North Dakota Century Code, relating to participation by retired political subdivision employees in the uniform group insurance program.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 54-52.1-03.1 of the North Dakota Century Code is amended and reenacted as follows:

54-52.1-03.1. Certain political subdivisions authorized to join uniform group insurance program - Employer contribution. A political subdivision may extend the benefits of the uniform group insurance program under this chapter to its permanent employees, subject to minimum requirements established by the board and a minimum period of participation of sixty months. If the political subdivision withdraws from participation in the uniform group insurance program, before completing sixty months of participation, the political subdivision shall make payment to the board in an amount equal to any expenses incurred in the uniform group insurance program that exceed income received on behalf of the political subdivision's employees as determined under rules adopted by the board. The political subdivision may determine the amount of the employer's monthly contribution toward the total monthly premium amount required of each eligible participating employee. A retiree who has accepted a retirement allowance from a participating political subdivision's retirement plan may elect to participate in the uniform group under this chapter without meeting minimum requirements at age sixty-five, when the employee's spouse reaches age sixty-five, upon the receipt of a benefit, when the political subdivision joins the uniform group insurance plan if the retiree was a member of the former plan, or when the spouse terminates employment. If a retiree or surviving spouse does not elect to participate at the times specified in this section, the retiree or surviving spouse must meet the minimum requirements established by the board. Each retiree or surviving spouse shall pay directly to the board the premiums in effect for the coverage then being provided. The board may require documentation that the retiree has accepted a retirement allowance from an eligible retirement plan other than the public employees retirement system.
