A county that elects to determine its general fund levy authority under this section may not impose separate levies under the sections listed in this subsection and may not increase the number of mills levied in any one year over the number levied in the previous year by more than the increase in the consumer price index for all urban consumers, all items, United States city average, as completed by the United States department of labor, bureau of labor statistics.
2. The consolidation of mill levies under subsection 1 may be accomplished by resolution of the board of county commissioners, subject to the right of referendum by the county electors. The board of county commissioners may by majority vote adopt a preliminary resolution providing for the consolidated levy. The board shall publish the preliminary resolution in the official newspaper of the county, at least once during two different weeks within the thirty-day period immediately following the adoption of the preliminary resolution. The board of county commissioners shall hold at least one public hearing and receive comments regarding the consolidation of mill levies. The preliminary resolution may be referred to the qualified electors of the county by a petition protesting the consolidation. The petition must be signed by ten percent or more of the total number of qualified electors of the county voting for governor at the most recent gubernatorial election, and filed with the county auditor before four p.m. on the ninetieth day after the preliminary resolution is adopted. If the petition contains the signatures of a sufficient number of qualified electors, the board of county commissioners shall rescind the preliminary resolution or submit the resolution to a vote of the qualified electors of the county at the next regular election or at a special election called by the board of county commissioners to address the question. If a majority of the qualified electors voting on the question approve the resolution, the consolidation becomes effective for the next tax year and subsequent tax years. If a petition protesting the consolidation is not submitted within ninety days, the board of county commissioners shall consider the comments received regarding the consolidation and either adopt a final resolution implementing the consolidation or rescind the preliminary resolution. The consolidation of mill levies may be reversed by resolution of the board of

county commissioners following the same procedure provided for implementation of the consolidation or by a majority vote of the qualified electors of the county voting on the question pursuant to submission of a petition to reverse the consolidation signed by ten percent or more of the total number of qualified electors of the county voting for governor at the most recent gubernatorial election.

3. A contractual obligation entered by a county with respect to a dedicated mill levy may not be impaired as a result of consolidation of levies under this section.
