

Fifty-eighth
Legislative Assembly
of North Dakota

ENGROSSED SENATE BILL NO. 2408

Introduced by

Senators Fairfield, O'Connell, Taylor

Representatives S. Kelsh, Kerzman, Warnke

1 A BILL bill for an Act relating to North Dakota state university conducting activities pertaining to
2 transgenic wheat.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. NORTH DAKOTA STATE UNIVERSITY - ACTIVITIES PERTAINING TO**
5 **TRANSGENIC WHEAT.** North Dakota state university shall conduct research pertaining to
6 transgenic wheat. The research must include varietal development and testing, segregation
7 protocols, domestic and international market development, producer and consumer
8 preferences, and methods to minimize outcrossing with nontransgenic wheat and weeds.
9 North Dakota state university shall consult with and serve as a resource to state and federal
10 agencies regarding the commercialization of transgenic wheat after the receipt of all requisite
11 regulatory approvals and may consult with and serve as a resource to public and private
12 agencies in the pursuit of international market maintenance and development.
