

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1297

Page 1, line 10, replace "and" with a comma

Page 1, line 11, after the second "delivered" insert ", and if state air pollution permits to operate would not limit the use of North Dakota coal due to emissions limits. In evaluating the comparable price of North Dakota coal versus other coal, the state and its institutions, political subdivisions, and public schools may include any ash handling costs that may be associated with the use of North Dakota coal"

Renumber accordingly
