24 base, pseudoephedrine base, and phenylpropanolamine base; and
- 25 b. For nonliquid products, sales in blister packs, each blister containing not more
26 than two dosage units, or when the use of blister packs is technically
27 infeasible, sales in unit dose packets or pouches.

29 of a methamphetamine precursor drug or a combination of methamphetamine
30 precursor drugs.

- 1 3. A person may not deliver in an over-the-counter sale a methamphetamine
2 precursor drug to a person under the age of eighteen years.
- 3 4. It is a prima facie case of a violation of subsection 3 if the person making the sale

5 purchaser's outward appearance the person would reasonably presume the
6 purchaser to be twenty-five years of age or older. "Proof of age" means a
7 document issued by a governmental agency which:

9 and gives the person's date of birth; and

- 11 5. It is an affirmative defense to a violation of subsection 3 if:
- 12 a. The person making the sale required and obtained proof of age from the
13 purchaser;
- 14 b. The purchaser falsely represented the purchaser's proof of age by use of a
15 false, forged, or altered document;
- 16 c. The appearance of the purchaser was such that an ordinary and prudent
17 person would believe the purchaser to be at least eighteen years of age; and
- 18 d. The sale was made in good faith and in reliance upon the appearance and
19 representation of proof of age of the purchaser.
- 20 6. This section does not apply to pediatric products labeled pursuant to federal
21 regulation primarily intended for administration to children under twelve years of
22 age according to label instructions or to a product that the state board of pharmacy,
23 upon application of a manufacturer, exempts from this section because the product
24 has been formulated in such a way as to effectively prevent the conversion of the
25 active ingredient into methamphetamine, or its salts or precursors.
- 26 7. A person who willfully violates subsection 1 is guilty of a class A misdemeanor. A
27 person who willfully violates subsection 2 or 3 is guilty of an infraction.
- 28 8. A person who is the owner, operator, or manager of the retail outlet or who is the
29 supervisor of the employee or agent committing a violation of this section of the
30 outlet where methamphetamine precursor drugs are available for sale is not
31 subject to the penalties of this section if the person:

- 1 a. Did not have prior knowledge of, participate in, or direct the employee or
2 agent to commit, the violation of this section; and
- 3 b. Documents that the employee or agent, at the time of initial employment and
4 each calendar year thereafter, participated in a training program approved by
5 the attorney general providing the employee or agent with information
6 regarding the state and federal regulations governing the sale, possession,
7 and packaging of such drugs.
- 8 The approval of the training program by the attorney general is not subject to
9 chapter 28-32.
