- 1 This amendment removes the Governor's recommendation for state employee salary increases and retains the recommended state payment for health insurance premiums.
- 2 This amendment changes the funding source for wildlife services from the general fund to the game and fish fund.
- 3 This amendment increases funding for wildlife services from the game and fish fund to a total of \$800,000.
- 4 This amendment changes the funding source from the anhydrous ammonia storage inspection fund to the general fund. The increase in the general fund appropriation of \$101,863 is offset by an increase in pet food and livestock medicine registration fees which are anticipated to increase general fund revenues by \$180,500. The total funding to the Agriculture Commissioner from the anhydrous ammonia storage inspection fund is \$54,496.

A section is added that increases the pet food registration fee from \$50 to \$100 for a two-year period. This increase is estimated to generate an additional \$152,500 in general fund revenues.

A section is added that increases the livestock medicine registration fee from \$20 to \$40 for a two-year period. This increase is estimated to generate an additional \$28,000 in general fund revenues.

The section providing for the Agriculture Commissioner's salary increase is removed.

This amendment provides that the Agriculture Commissioner is to be reimbursed from the game and fish fund only after costs have been incurred. The Department of Agriculture may receive up to \$800,000 from the game and fish fund for wildlife services. In addition, the Board of Animal Health may receive up to \$150,000 from the game and fish fund.

SECTION 11. AMENDMENT. Section 54-27-25 of the North Dakota Century Code is amended and reenacted as follows:

54-27-25. Tobacco settlement trust fund - Interest on fund - Uses. There is created in the state treasury a tobacco settlement trust fund. When that certification is received, the state treasurer shall determine the amount deposited in the water development trust fund during that biennium and transfers that would be made to the water development trust fund under subsection 3 must instead be transferred to the common schools trust fund until deposits in the common schools trust fund during that biennium are equal to the amount deposited in the water development trust fund during that biennium or until the end of the biennium, whichever occurs first.~~

Transfers to the funds under this section must be made within thirty days of receipt by the tobacco settlement trust fund.

SECTION 12. REPEAL. Chapter 61-38 of the North Dakota Century Code is repealed."

The total authorized in Section 9 for bonding is reduced from \$60,000,000 to \$49,523,771.

A section is added providing that revenues in excess of the \$13,650,000 from the resources trust fund are appropriated to the State Water Commission subject to Emergency Commission approval.

North Dakota Century Code (NDCC) Chapter 61-38 relating to the assumption of the Section 404 program of the Clean Water Act by the State Water Commission is repealed.

A section is added amending NDCC Section 54-27-25, relating to the uses of the tobacco settlement collections. This change removes the tobacco settlement collection funding priority provided to the water development trust fund based on need for interest and principal on bond payments. Previously the statute provided that distributions were to be made based on the water development trust fund's needs before funding is made available to the common schools trust fund.
