## ENGROSSED SENATE BILL NO. 2276

Introduced by

Senators Espegard, Grindberg

Representative Dosch

1 A BILL for an Act to amend and reenact section 6-09.4-02, subsection 5 of section 6-09.4-03,  
2 sections 6-09.4-06, 6-09.4-07, 6-09.4-09, and 6-09.4-13, and subsection 1 of section 40-57-02  
3 of the North Dakota Century Code, relating to the purchase of qualified small issue bonds by  
4 the municipal bond bank and issuance of municipal industrial development revenue bonds by  
5 the municipal bond bank; and to provide program limits for the purchase or issuance of  
6 qualified small issue bonds or municipal industrial revenue bonds by the municipal bond bank.

7 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

8 **SECTION 1. AMENDMENT.** Section 6-09.4-02 of the North Dakota Century Code is  
9 amended and reenacted as follows:

10 **6-09.4-02. Legislative policy.** It is declared to be the policy of the state of North  
11 Dakota to foster and promote the provision of adequate capital markets and facilities for  
12 borrowing money by political subdivisions or other contracting parties and for the financing of  
13 their respective public improvements or projects as those terms are used or defined in this  
14 chapter or chapter 40-57. It is in the public interest to encourage political subdivisions or other  
15 contracting parties to continue their independent undertakings of public improvements or  
16 projects and the financing thereof by making funds available at reduced interest costs,  
17 especially during periods of restricted credit or money supply. Current credit and municipal  
18 bond market conditions require the exercise of the powers of the state to further and implement  
19 such policies by authorizing a state instrumentality to be created to borrow money and to issue  
20 its bonds to make funds available at reduced rates and on favorable terms for borrowing by  
21 political subdivisions or other contracting parties through the purchase or holding of marketable  
22 municipal securities of political subdivisions or other contracting parties in fully marketable form  
23 or in another form adequate to secure bonds issued by the state instrumentality and by granting  
24 broad powers to accomplish and to carry out the policies of the state.

1           **SECTION 2. AMENDMENT.** Subsection 5 of section 6-09.4-03 of the North Dakota  
2 Century Code is amended and reenacted as follows:

- 3           5. "Municipal security" means an evidence of indebtedness issued by a political  
4 subdivision and a revenue agreement entered into by a contracting party as those  
5 terms are used in chapter 40-57, but does not generally include an evidence of  
6 indebtedness issued pursuant to chapter 40-57 other than an evidence of  
7 indebtedness that qualifies as a qualified small issue bond as defined under  
8 26 U.S.C. 144(a) [Pub. L. 99-514; 100 Stat. 2606], as amended, and regulations  
9 promulgated and officially proposed to be promulgated thereunder, or as an  
10 "exempt facility bond" as defined under 26 U.S.C. 142(a) (4), (5), or (6) [Pub. L.  
11 99-514; 100 Stat. 2606], as amended, and regulations promulgated and officially  
12 proposed to be promulgated thereunder, issued to provide one of the following:  
13           a. A facility for the furnishing of water.  
14           b. A wastewater facility.  
15           c. A ~~nonpoint source pollution control~~ solid waste disposal facility.

16           **SECTION 3. AMENDMENT.** Section 6-09.4-06 of the North Dakota Century Code is  
17 amended and reenacted as follows:

18           **6-09.4-06. Lending and borrowing powers generally.** The bond bank may lend  
19 money to political subdivisions or other contracting parties through the purchase ~~and~~ or holding  
20 of municipal securities which, in the opinion of the attorney general, are properly eligible for  
21 purchase or holding by the bond bank under this chapter or chapter 40-57 and for which the  
22 principal amount of any one issue does not exceed two hundred thousand dollars. However,  
23 the bond bank may lend money to political subdivisions or other contracting parties, through the  
24 purchase ~~and~~ or holding of securities issued by the political subdivisions or other contracting  
25 parties without regard to the principal amount of the bonds issued, if the industrial commission  
26 approves a resolution that authorizes the bond bank to purchase ~~and~~ or hold the securities.  
27 The authorizing resolution must state that the industrial commission has determined that private  
28 bond markets will not be responsive to the needs of the issuing political subdivision or other  
29 contracting party concerning the securities or, if it appears that the securities can be sold  
30 through private bond markets without the involvement of the bond bank, the authorizing  
31 resolution must state reasons for the bond bank's involvement in the bond issue. The bond

1 bank may hold such municipal securities for any length of time it finds to be necessary. The  
2 bond bank, for the purposes authorized by this chapter or chapter 40-57, may issue its bonds  
3 payable solely from the revenues available to the bond bank which are authorized or pledged  
4 for payment of bond bank obligations, and to otherwise assist political subdivisions or other  
5 contracting parties as provided in this chapter or chapter 40-57.

6 The bond bank may lend money to the Bank of North Dakota under terms and  
7 conditions requiring the Bank to use the proceeds to make loans for agricultural improvements  
8 that qualify for assistance under the revolving loan fund program established by chapter  
9 61-28.2.

10 Bonds of the bond bank issued under this chapter or chapter 40-57 are not in any way a  
11 debt or liability of the state and do not constitute a loan of the credit of the state or create any  
12 debt or debts, liability or liabilities, on behalf of the state, or constitute a pledge of the faith and  
13 credit of the state, but all such bonds are payable solely from revenues pledged or available for  
14 their payment as authorized in this chapter. Each bond must contain on its face a statement to  
15 the effect that the bond bank is obligated to pay such principal or interest, and redemption  
16 premium, if any, and that neither the faith and credit nor the taxing power of the state is pledged  
17 to the payment of the principal of or the interest on such bonds. Specific funds pledged to fulfill  
18 the bond bank's obligations are obligations of the bond bank.

19 All expenses incurred in carrying out the purposes of this chapter or chapter 40-57 are  
20 payable solely from revenues or funds provided or to be provided under this chapter or chapter  
21 40-57 and nothing in this chapter may be construed to authorize the bond bank to incur any  
22 indebtedness or liability on behalf of or payable by the state.

23 **SECTION 4. AMENDMENT.** Section 6-09.4-07 of the North Dakota Century Code is  
24 amended and reenacted as follows:

25 **6-09.4-07. Powers.** The bond bank has the following powers:

- 26 1. To sue and be sued.
- 27 2. To make and enforce bylaws, rules, and regulations for the conduct of its affairs  
28 and business and for use of its services.
- 29 3. To acquire, hold, use, and dispose of its income, revenue, funds, and moneys in  
30 accordance with law, this chapter or chapter 40-57, or legislative appropriations.

2                    purposes.
- 3           5.    To borrow money and to issue its negotiable bonds or notes and to provide for and  
4                    secure the payment thereof and to provide for the rights of the holders thereof, and  
5                    to purchase, hold, and dispose of any of its bonds.
- 6           6.    To fix and revise from time to time and charge and collect fees and charges for the  
7                    use of its services or facilities.
- 8           7.    To do and perform any acts and things authorized by this chapter or chapter 40-57  
9                    under, through, or by means of its officers, agents, or employees or by contracts  
10                   with any person, firm, or corporation.
- 11          8.    To make, enter into, and enforce all contracts or agreements necessary,  
12                   convenient, or desirable for the purposes of the bond bank or pertaining to any  
13                   loan to a political subdivision or other contracting party or any purchase or sale of  
14                   municipal securities or other investments or to the performance of its duties and  
15                   execution or carrying out of any of its powers under this chapter or chapter 40-57.
- 16          9.    To purchase or hold municipal securities of political subdivisions or other  
17                   contracting parties at such prices and in such manner as the bond bank shall  
18                   deem advisable, and to sell municipal securities acquired or held by it at such  
19                   prices without relation to cost and in such manner as the bond bank deems  
20                   advisable.
- 21          10.   To invest any funds or moneys of the bond bank not then required for loan to  
22                   political subdivisions or other contracting parties and for the purchase of municipal  
23                   securities in the same manner as permitted for investment of funds belonging to  
24                   the state or the Bank of North Dakota.
- 25          11.   To fix and prescribe any form of application or procedure to be required of a  
26                   political subdivision or other contracting party for the purpose of any loan or the  
27                   purchase of its municipal securities, and to fix the terms and conditions of any such  
28                   loan or purchase and to enter into agreements with political subdivisions or other  
29                   contracting parties with respect to any such loan or purchase.
- 30          12.   To consider the need, desirability, or eligibility of such loan, the ability of such  
31                   political subdivision or other contracting party to secure borrowed money from

- 1 other sources and the costs thereof, and the particular public improvement,  
2 project, or purpose to be financed by the municipal securities to be purchased by  
3 the bond bank.
- 4 13. To impose and collect charges from a political subdivision or other contracting  
5 party for its costs and services in review or consideration of any proposed loan to a  
6 political subdivision or other contracting party or purchase of municipal securities  
7 of such political subdivision or other contracting party, and to impose and collect  
8 charges therefor whether or not such loan has been made or such municipal  
9 securities have been purchased.
- 10 14. To fix and establish any and all terms and provisions with respect to any purchase  
11 of municipal securities by the bond bank, including dates and maturities of such  
12 bonds, provisions as to redemption or payment prior to maturity, and any and all  
13 other matters which in connection therewith are necessary, desirable, or advisable  
14 in the judgment of the bond bank.
- 15 15. To procure insurance against any losses in connection with its property,  
16 operations, or assets in such amounts and from such insurers as it deems  
17 desirable to pay the premiums on such insurance.
- 18 16. To the extent permitted under its contracts with the holders of bonds of the bond  
19 bank, to consent to any modification with respect to rates of interest, time, and  
20 payment of any installment of principal or interest, security, or any other term of  
21 bond, contract, or agreement of any kind to which the bond bank is a party.
- 22 17. To do all acts and things necessary, convenient, or desirable to carry out the  
23 powers expressly granted or necessarily implied in this chapter or chapter 40-57.
- 24 18. To do and perform any act and thing authorized by section 54-01-27 or 54-17-36

3 from time to time when the pledge is made. The industrial commission may also pledge assets  
4 of the Bank of North Dakota as security for bond bank bonds. The revenues or other moneys  
5 so pledged and thereafter received by the bond bank are immediately subject to the lien of  
6 such pledge without any physical delivery thereof or further act, and the lien of any such pledge  
7 is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise
