

PROPOSED CREATION OF JOINT RULE 210

1 **SECTION 1.** Joint Rule 210 is created:

2 **210. DELIVERY OF VETO MESSAGES.** When the Governor vetoes a bill that cannot
3 be returned to the house of origin because the legislative assembly is not in session, the
4 objections to the bill must be filed with the Secretary of State and with the director of the
5 Legislative Council or a Legislative Council employee designated by the director for purposes
6 of publishing the objections in the journal of the house of origin and in the Session Laws.

NOTE: This proposed rules amendment is in response to a suggestion that a joint rule similar to Joint Rule 209 (Return of Vetoed Bills With Objections) be created to establish a procedure for delivery of veto messages for bills vetoed after the Legislative Assembly has adjourned in order for the Legislative Council office to receive the message for purposes of publication in the postsession journal and in the Session Laws.
