1 A BILL for an Act to amend and reenact sections 40-47-01.1, 40-47-06, and 40-48-03 of the
2 North Dakota Century Code, relating to extraterritorial zoning jurisdiction of cities; to provide for
3 a legislative council study; to provide for application; and to provide an expiration date.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 40-47-01.1 of the North Dakota Century Code is
6 amended and reenacted as follows:

7 **40-47-01.1. Extraterritorial zoning - Mediation - Determination by administrative**
8 **law judge.**

- 9 1. A city may, by ordinance, extend the application of a city's zoning regulations to
10 any quarter quarter section of unincorporated territory if a majority of the quarter
11 quarter section is located within the following distance of the corporate limits of the
12 city:
- 13 a. ~~One~~ One-half mile [~~1.61 kilometers~~ .80 kilometer] if the city has a population
14 of ~~less~~ fewer than five thousand.
- 15 b. ~~Two miles~~ [~~3.22 kilometers~~] One mile [1.61 kilometers] if the city has a
16 population of five thousand or more, but ~~less~~ fewer than ~~twenty-five~~ ten
17 thousand.
- 18 c. ~~Four miles~~ [~~6.44 kilometers~~] Two miles [3.22 kilometers] if the city has a
19 population of ~~twenty-five~~ ten thousand or more.
- 20 2. If a quarter quarter section line divides a platted lot and the majority of that platted
21 lot lies within the quarter quarter section, a city may apply its extraterritorial zoning
22 authority to the remainder of that platted lot. If the majority of the platted lot lies
23 outside the quarter quarter section, the city may not apply its extraterritorial zoning
24 authority to any of that platted lot.

- 1 3. A city exercising its extraterritorial zoning authority shall hold a zoning transition
2 meeting if the territory to be extraterritorially zoned is currently zoned. The city's
3 zoning or planning commission shall provide at least fourteen days' notice of the
4 meeting to the zoning board or boards of all political subdivisions losing their
5 partial zoning authority. The purpose of the zoning transition meeting is to review
6 existing zoning rules, regulations, and restrictions currently in place in the territory
7 to be extraterritorially zoned and to plan for an orderly transition. The zoning
8 transition meeting must take place before the city's adoption of an ordinance
9 exercising extraterritorial zoning.
- 10 4. If two or more cities have boundaries at a distance where there is an overlap of
11 extraterritorial zoning authority under this section, the governing bodies of the
12 cities may enter into an agreement regarding the extraterritorial zoning authority of
13 each city. The agreement must be for a specific term and is binding upon the
14 cities unless the governing bodies of the cities agree to amend or rescind the
15 agreement or unless determined otherwise by an administrative law judge in
16 accordance with this chapter. If a dispute arises concerning the extraterritorial
17 zoning authority of a city and the governing bodies of the cities involved fail to
18 resolve the dispute, the dispute must be submitted to a committee for mediation.
19 The committee must be comprised of one member appointed by the governor, one
20 member of the governing body of each city, and one member of the planning
21 commission of each city who resides outside the corporate city limits. The
22 governor's appointee shall arrange and preside over the meeting and act as
23 mediator at the meeting. A meeting may be continued until the dispute has been
24 resolved or until the mediator determines that continued mediation is no longer
25 worthwhile.
- 26 5. If the mediation committee is unable to resolve the dispute to the satisfaction of the
27 governing bodies of all the cities involved, the governing body of any of the cities
28 may petition the office of administrative hearings to appoint an administrative law
29 judge to determine the extraterritorial zoning authority of the cities in the disputed
30 area. A hearing may not be held until after at least two weeks' written notice has
31 been given to the governing bodies of the cities involved in the dispute. At the

1 hearing, the governor's appointee who mediated the meetings under subsection 4
2 shall provide information to the administrative law judge on the dispute between
3 the cities involved and any proposed resolutions or recommendations made by a
4 majority of the committee members. Any resident of, or person owning property in,
5 a city involved in the dispute or the unincorporated territory that is the subject of
6 the proposed extraterritorial zoning, a representative of such a resident or property
7 owner, and any representative of a city involved, may appear at the hearing and
8 present evidence on any matter to be determined by the administrative law judge.
9 A decision by the administrative law judge is binding upon all the cities involved in
10 the dispute and remains effective until the governing bodies of the cities agree to a
11 change in the zoning authority of the cities. The governing body of a city may
12 request a review of a decision of an administrative law judge due to changed
13 circumstances at any time ten years after the decision has become final. An
14 administrative law judge shall consider the following factors in making a decision
15 under this subsection:

- 16 a. The proportional extraterritorial zoning authority of the cities involved in the
17 dispute;
- 18 b. The proximity of the land in dispute to the corporate limits of each city
19 involved;
- 20 c. The proximity of the land in dispute to developed property in the cities
21 involved;
- 22 d. Whether any of the cities has exercised extraterritorial zoning authority over
23 the disputed land;
- 24 e. Whether natural boundaries such as rivers, lakes, highways, or other physical
25 characteristics affecting the land are present;
- 26 f. The growth pattern of the cities involved in the dispute; and
- 27 g. Any other factor determined to be relevant by the administrative law judge.

28 6. For purposes of this section, the population of a city must be determined by the
29 last official regular or special federal census. If a city has incorporated after a
30 census, the population of the city must be determined by a census taken in
31 accordance with chapter 40-22.

1 7. When a portion of the city is attached to the bulk of the city by a strip of land less
2 than one hundred feet [30.48 meters] wide, that portion and strip of land must be
3 disregarded when determining the extraterritorial zoning limits of the city. This
4 subsection does not affect the ability of a city to zone land within its city limits.

5 8. For the purposes of this section, a quarter quarter section shall be determined in
6 the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the
7 phrase "quarter quarter section" refers to the equivalent government lot.
