

**Sixtieth Legislative Assembly of North Dakota
In Regular Session Commencing Wednesday, January 3, 2007**

SENATE BILL NO. 2323
(Senators Wanzek, Christmann, Klein)
(Representatives D. Johnson, Mueller, Pollert)

AN ACT to amend and reenact section 19-18-04 of the North Dakota Century Code, relating to pesticide registration fees.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 19-18-04 of the North Dakota Century Code is amended and reenacted as follows:

19-18-04. ~~(Effective through June 30, 2007)~~ Registration - Fees.

1. Any person before selling or offering for sale any pesticide for use within this state shall file biennially with the commissioner an application for registration of the pesticide. The application must:
 - a. Give the name and address of each manufacturer or distributor.
 - b. Give the name and brand of each product to be registered.
 - c. Be accompanied by a current label of each product to be registered.
 - d. Be accompanied by a registration fee of three hundred fifty dollars for each product to be registered. At the close of each calendar month, the commissioner shall transmit to the state treasurer all moneys received for the registrations. The state treasurer shall credit fifty dollars for each registered product to the general fund in the state treasury and the remainder of the registration fee for each registered product to the environment and rangeland protection fund.
 - e. Be accompanied by a material safety data sheet for each product to be registered.
2. The commissioner may require an applicant or registrant to provide efficacy, toxicity, residue, and any other data necessary to determine if the pesticide will perform its intended function without unreasonable adverse effects on the environment. If the commissioner finds that the application conforms to law, the commissioner shall issue to the applicant a certificate of registration of the product.
3. Each registration covers a designated two-year period beginning January first of each even-numbered year and expiring December thirty-first of the following year. A certificate of registration may not be issued for a term longer than two years, and is not transferable from one person to another, or from the ownership to whom issued to another ownership. A penalty of fifty percent of the license or registration fee must be imposed if the license or certificate of registration is not applied for on or before January thirty-first following the expiration date. Each product must go through a two-year discontinuance period in order to clear all outstanding products in the channel of trade.
4. This section does not apply to a pesticide sold by a retail dealer if the registration fee has been paid by the manufacturer, jobber, or any other person, as required by this section.

~~**(Effective July 1, 2007) Registration - Fees.** Any person before selling or offering for sale any pesticide for use within this state shall file biennially with the commissioner an application for registration of the pesticide. The application must:~~

1. ~~Give the name and address of each manufacturer or distributor.~~
2. ~~Give the name and brand of each product to be registered.~~
3. ~~Be accompanied by a current label of each product to be registered.~~
4. ~~Be accompanied by a registration fee of three hundred dollars for each product to be registered. At the close of each calendar month, the commissioner shall transmit to the state treasurer all moneys received for the registrations. The state treasurer shall credit fifty dollars for each registered product to the general fund in the state treasury and the remainder of the registration fee for each registered product to the environment and rangeland protection fund.~~
5. ~~Be accompanied by a material safety data sheet for each product to be registered.~~

~~The commissioner may require an applicant or registrant to provide efficacy, toxicity, residue, and any other data necessary to determine if the pesticide will perform its intended function without unreasonable adverse effects on the environment. If the commissioner finds that the application conforms to law, the commissioner shall issue to the applicant a certificate of registration of the product.~~

~~Each registration covers a designated two year period beginning January first of each even numbered year and expiring December thirty first of the following year. A certificate of registration may not be issued for a term longer than two years, and is not transferable from one person to another, or from the ownership to whom issued to another ownership. A penalty of fifty percent of the license or registration fee must be imposed if the license or certificate of registration is not applied for on or before January thirty first following the expiration date. Each product must go through a two year discontinuance period in order to clear all outstanding products in the channel of trade.~~

~~This section does not apply to a pesticide sold by a retail dealer if the registration fee has been paid by the manufacturer, jobber, or any other person, as required by this section.~~
