15 Code are created and enacted as follows:

16 Report biennially to the legislative council regarding the operation of the
17 commission.

18 Provide notice to the North Dakota horsemen's council of meetings held by the
19 commission and permit the North Dakota horsemen's council to participate in the
20 meetings through placement of items on the agenda.

1 Complete, distribute, and post on the commission's web site the minutes of each
2 commission meeting within thirty days of that meeting or before the next meeting
3 of the commission, whichever occurs first.

4 **SECTION 3. AMENDMENT.** Subsection 4 of section 53-06.2-05 of the North Dakota
5 Century Code is amended and reenacted as follows:

6 4. License all participants in the racing and simulcast parimutuel wagering industry
7 and require and obtain information the commission deems necessary from license
8 applicants. Licensure of service providers, totalizator companies, site operators,
9 and organizations applying to conduct or conducting parimutuel wagering must be
10 approved by the attorney general. The attorney general may not grant a license
11 denied by the commission. The commission may obtain from the bureau of
12 criminal investigation, without charge, criminal history record information as
13 required in the licensing process.

14 **SECTION 4. AMENDMENT.** Subsection 1 of section 53-06.2-07 of the North Dakota
15 Century Code is amended and reenacted as follows:

16 1. On compliance by an applicant with this chapter and the approval of the attorney
17 general, the commission may issue a license to conduct races. The attorney
18 general may not grant a license denied by the commission.

20 Century Code is amended and reenacted as follows:

21 4. The commission may grant licenses to horse owners, jockeys, riders, agents,

25 totalizator companies, site operators, and organizations applying to conduct or
26 conducting parimutuel wagering must be approved by the attorney general. The
27 attorney general may not grant a license denied by the commission. License fees
28 are as established by the commission.

29 **SECTION 6. AMENDMENT.** Section 53-06.2-10.1 of the North Dakota Century Code
30 is amended and reenacted as follows:

1 **53-06.2-10.1. Simulcast wagering.** In addition to racing under the certificate system,
2 as authorized by this chapter, and conducted upon the premises of a racetrack, simulcast
3 parimutuel wagering may be conducted in accordance with this chapter ~~and interim standards~~
4 ~~that need not comply with chapter 28-32~~, or rules adopted by the commission under this
5 chapter in accordance with chapter 28-32. Any organization qualified under section 53-06.2-06
6 to conduct racing may make written application to the commission for the conduct of simulcast
7 parimutuel wagering on races held at licensed racetracks inside the state or racetracks outside
8 the state, or both. Licensure of service providers, totalizator companies, site operators, or
9 organizations applying to conduct or conducting simulcast or account wagering must be
10 approved by the attorney general. The attorney general may not grant a license denied by the
11 commission. Notwithstanding any other provision of this chapter, the commission may
12 authorize any licensee to participate in interstate or international combined wagering pools with
13 one or more other racing jurisdictions. Anytime that a licensee participates in an interstate or
14 international combined pool, the licensee, as prescribed by the commission, may adopt the
15 take-out of the host jurisdiction or facility. The commission may permit a licensee to use one or
16 more of its races or simulcast programs for an interstate or international combined wagering
17 pool at locations outside its jurisdiction and may allow parimutuel pools in other states to be
18 combined with parimutuel pools in its jurisdiction for the purpose of establishing an interstate or
19 international combined wagering pool. The participation by a licensee in a combined interstate
20 or international wagering pool does not cause that licensee to be considered to be doing
21 business in any jurisdiction other than the jurisdiction in which the licensee is physically located.
22 Parimutuel taxes or commissions may not be imposed on any amounts wagered in an
23 interstate or international combined wagering pool other than amounts wagered within this
24 jurisdiction. The certificate system also permits parimutuel wagering to be conducted through
25 account wagering. As used in this section, "account wagering" means a form of parimutuel
26 wagering in which an individual deposits money in an account and uses the account balance to
27 pay for parimutuel wagers. An account wager made on an account established in this state
28 may only be made through the licensed simulcast service provider approved by the attorney
29 general and authorized by the commission to operate the simulcast parimutuel wagering
30 system under the certificate system. The attorney general may not grant a license denied by
31 the commission. An account wager may be made in person, by direct telephone

1 communication, or through other electronic communication in accordance with rules adopted by
2 the commission. Breakage for interstate or international combined wagering pools must be
3 calculated in accordance with the statutes or rules of the host jurisdiction and must be
4 distributed among the participating jurisdictions in a manner agreed to among the jurisdictions.
