18 The state treasurer shall compute and distribute the counties' share monthly after
19 deducting the incorporated cities' share. All the moneys received by the counties
20 from the highway tax distribution fund must be set aside in a separate fund called
21 the "highway tax distribution fund" and must be appropriated and applied solely for
22 highway purposes in accordance with section 11 of article X of the Constitution of
23 North Dakota. The state treasurer shall compute and distribute monthly the sums
24 allocated to the incorporated cities within each county according to the formula in
25 this subsection on the basis of the per capita population of all of the incorporated
26 cities situated within each county as determined by the last official regular or

8 than one thousand must be determined by multiplying the population of that
9 city by the product of 1.50 times the statewide per capita average computed
10 under subdivision a.
- 11 c. The share distributed to each city in the county having a population of one
12 thousand to four thousand nine hundred ninety-nine, inclusive, must be
13 determined by multiplying the population of that city by the product of 1.25
14 times the statewide per capita average computed under subdivision a.
- 15 d. The share distributed to each city in the county having a population of five
16 thousand or more must be determined by multiplying the population of that
17 city by the statewide per capita average for all such cities, which per capita
18 average must be computed as follows: the total of the shares computed
19 under subdivisions b and c for all cities in the state having a population of less
20 than five thousand must be subtracted from the total incorporated cities' share
21 in the state as computed under subdivision a and the balance remaining must
22 then be divided by the total population of all cities of five thousand or more in
23 the state.

24 The moneys allocated to the incorporated cities must be distributed to them monthly by the
25 state treasurer and must be deposited by the cities in a separate fund and may only be used in
26 accordance with section 11 of article X of the Constitution of North Dakota; ~~provided, that any~~
27 and an incorporated city may use ~~such~~ the fund for the construction, reconstruction, repair, and
28 maintenance of public highways within or outside ~~such~~ the city pursuant to an agreement
29 entered into between the city and any other political subdivision as authorized by section
30 54-40-08.
