22 premises of any retailer, wholesaler, manufacturer, domestic winery, farm distillery, microbrew
23 pub, or other person to determine if such person has fully complied with all statutes and rules
24 pertaining to the person's business. If any wholesaler, domestic winery, farm distillery, or
25 microbrew pub liable for any taxes imposed by this chapter fails to pay such tax on the date
26 payment is due, there must be added to the tax a penalty of five percent of the total amount of
27 the tax or five dollars, whichever is greater, plus interest of one percent of the tax per month or
28 fraction of a month of delay, except the first month after the return or tax became due. Any
29 wholesaler, domestic winery, farm distillery, or microbrew pub failing to furnish reports when
30 required must be assessed a penalty of one hundred dollars for each day such reports are
31 delinquent. The state tax commissioner may forgive all or part of any penalty for good cause

2 If the determination of tax due relates to an incorrect or insufficient return filed by a taxpayer,
3 notice of the determination must be given not later than three years after the last day on which
4 the return was due or three years after the return was filed, whichever is later. If it is
5 determined upon audit by the tax commissioner that the tax due was twenty-five percent or
6 more above the amount reported on the return, notice of determination of tax due must be given
7 not later than six years after the last day on which the return was due or six years after the
8 return was filed, whichever was later. Notice of determination of tax due for any reporting
9 period for which a taxpayer failed to file a return must be given not later than six years after the
10 due date of the return, but if fraudulent information is given in a return or the failure to file a
11 return is due to the fraudulent intent or willful attempt of the taxpayer in any manner to evade
12 the tax, the time limitation provided in this section for giving notice of the determination of tax
13 due does not apply. If any wholesaler, domestic winery, farm distillery, or microbrew pub files a
14 fraudulent return, there must be added to the tax an amount equal to the tax evaded or
15 attempted to be evaded and such wholesaler, domestic winery, farm distillery, or microbrew
16 pub is also guilty of a class C felony. All such taxes and civil penalties may be collected by
17 assessment or distraint, and no court of this state may enjoin the collection of any such tax or
18 civil penalty. No wholesaler may purchase alcoholic beverages from a manufacturer after
19 notice from the state tax commissioner that such manufacturer has failed to file required reports
20 with the tax commissioner's office. Any wholesaler, domestic winery, farm distillery, or
21 microbrew pub may have its license suspended or revoked for violation of any of the provisions
22 of this title after a hearing conducted similar to that prescribed by this law.
