4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

10 purchaser, and an assessment at the rate of ~~two~~ three cents per bushel [35.24 liters] must be
11 levied and imposed upon all flax grown in the state or sold to a first purchaser. This
12 assessment is due upon any identifiable lot or quantity of sunflower, safflower, rapeseed or
13 canola, crambe, or flax.

14 A first purchaser of sunflower, safflower, rapeseed or canola, crambe, or flax shall file
15 an application with the council on forms prescribed and furnished by the council which must
16 contain the name under which the first purchaser is transacting business within the state, the
17 place or places of business, the location of loading and shipping places of agents of the first
18 purchaser, the names and addresses of the several persons constituting the firm partnership, if
19 a corporation, the corporate name and the names and addresses of its principal officers and
20 agents within the state, and, if a limited liability company, the limited liability company name and
21 the names and addresses of its principal managers and agents within this state. The council
22 shall issue a certificate to the first purchaser. A first purchaser may not sell, process, or ship
23 any sunflower, safflower, rapeseed or canola, crambe, or flax until it has secured a certificate as
24 required by this section.

1 The first purchaser of sunflower, safflower, rapeseed or canola, crambe, or flax shall
2 collect the assessment imposed by this section by charging and collecting from the seller the
3 assessment at the rate specified in this section by deducting the assessment from the purchase
4 price of all sunflower, safflower, rapeseed or canola, crambe, or flax subject to the assessment
5 and purchased by the first purchaser.

6 Every first purchaser shall keep as a part of its permanent records a record of all
7 purchases, sales, and shipments of raw sunflower, safflower, rapeseed or canola, crambe, or
8 flax, which may be examined by the council at all reasonable times. Every first purchaser shall

11 prescribed by the council. The remittance of the assessment as provided in this section must
12 accompany the report. All moneys levied and collected under this chapter must be paid to the
13 council for deposit in the state treasury to the credit of a special revolving account or accounts
14 designated as the oilseed fund. All money in the oilseed fund is appropriated on a continuing
15 basis to the council to be used exclusively to carry out the intent and purposes of this chapter.
16 Assessments collected from each crop must be used, for the purposes of this chapter, on each
17 respective crop. However, for flax, emphasis should be given to utilize the assessment, except
18 for that portion of the assessment necessary to administer the flax assessment, for nutritional
19 and therapeutic research. Regular audits of the council's accounts must be conducted in
