30 taxpayer believes the operation of this subdivision with respect to the
31 taxpayer's income is unjust, the taxpayer may petition the tax commissioner

1 who may allow use of another method of reporting income, including separate
2 accounting.

3 e. ~~A resident individual, estate, or trust is entitled to a credit against the tax~~

4 taxable year as determined by the secretary of the United States treasury for
5 purposes of section 1(f) of the United States Internal Revenue Code of 1954,
6 as amended. For this purpose, the rate applicable to each income bracket

8 must be the same as that used for adjusting the income brackets for federal
9 income tax purposes.
- 10 h. The tax commissioner shall prescribe an optional simplified method of
11 computing tax under this section that may be used by an individual taxpayer
12 who is not entitled to claim an adjustment under subsection 2 or credit against

15 taxable income of an individual, estate, or trust as computed under the Internal
16 Revenue Code of 1986, as amended, adjusted as follows:

2 net long-term capital gain is allocated to this state.
- 3 e. Increased by the amount of a lump sum distribution for which income
4 averaging was elected under section 402 of the Internal Revenue Code of
5 1986 [26 U.S.C. 402], as amended. This adjustment does not apply if the
6 taxpayer received the lump sum distribution while a nonresident of this state
7 and the distribution is exempt from taxation by this state under federal law.

9 taxpayer in connection with an allocation and apportionment to North Dakota

24 once for each instance of organ donation during the taxable year in which the
25 human organ donation and the human organ transplantation occurs but if
26 qualified expenses are incurred in more than one taxable year, the reduction
27 for those expenses must be claimed in the year in which the expenses are
28 incurred. For purposes of this subdivision:
- 29 (1) "Human organ transplantation" means the medical procedure by which
30 transfer of a human organ is made from the body of one person to the
31 body of another person.

16 to the extent the amount received by the taxpayer is included in federal
17 taxable income. The reduction applies only if the employer is entitled to the
18 credit under section 57-38-01.25. The taxpayer must attach a statement from
19 the employer in which the employer certifies that the employer is entitled to
20 the credit under section 57-38-01.25 and which specifically identified the type
21 of payment and the amount of the exemption under this section.
- 22 n. Reduced by the amount up to a maximum of five thousand dollars, or ten

8 is also subject to tax under this section.
- 9 b. For an individual, estate, or trust that is a resident of this state for the entire
10 taxable year, the credit allowed under this subsection may not exceed an
11 amount equal to the tax imposed under this section multiplied by a ratio equal
12 to federal adjusted gross income derived from sources in the other jurisdiction
13 divided by federal adjusted gross income less the amounts under
14 subdivisions a and b of subsection 2.
- 15 c. For an individual, estate, or trust that is a resident of this state for only part of
16 the taxable year, the credit allowed under this subsection may not exceed the
17 lesser of the following:
- 18 (1) The tax imposed under this chapter multiplied by a ratio equal to

6 procedures and guidelines to prevent any income from becoming exempt from
7 taxation because of the provisions of this section if it would otherwise have been
8 subject to taxation under the provisions of this chapter.

26 under section 40-63-04.
- 27 9. a. If an individual taxpayer engaged in a farming business elects to average
28 farm income under section 1301 of the Internal Revenue Code [26 U.S.C.
29 1301], the taxpayer may elect to compute tax under this subsection. If an
30 election to compute tax under this subsection is made, the tax imposed by
31 subsection 1 for the taxable year must be equal to the sum of the following:

- 1 (1) The tax computed under subsection 1 on North Dakota taxable income

- 3 (2) The increase in tax imposed by subsection 1 which would result if North
4 Dakota taxable income for each of the three prior taxable years were
5 increased by an amount equal to one-third of the elected farm income.
6 However, if other provisions of this chapter other than this section were
7 used to compute the tax for any of the three prior years, the same
8 provisions in effect for that prior tax year must be used to compute the
9 increase in tax under this paragraph. For purposes of applying this
10 paragraph to taxable years beginning before January 1, 2001, the
11 increase in tax must be determined by recomputing the tax in the
12 manner prescribed by the tax commissioner.
- 13 b. For purposes of this subsection, "elected farm income" means that portion of

17 claimed under subdivision d of subsection 2 that is attributable to a net
18 long-term capital gain included in elected farm income.
- 19 c. The reduction in North Dakota taxable income under this subsection must be
20 taken into account for purposes of making an election under this subsection
21 for any subsequent taxable year.
- 22 d. The tax commissioner may prescribe rules, procedures, or guidelines
23 necessary to administer this subsection.
- 24 10. The tax commissioner may prescribe tax tables, to be used in computing the tax
25 according to subsection 1, if the amounts of the tax tables are based on the tax
26 rates set forth in subsection 1. If prescribed by the tax commissioner, the tables
27 must be followed by every individual, estate, or trust determining a tax under this
28 section.

18 primary sector business with annual gross revenues of less than seven
19 hundred fifty thousand dollars and which has not conducted new research
20 and development in North Dakota.

22 in section 41(b) of the Internal Revenue Code [26 U.S.C. 41(b)], except it

24 state of North Dakota.

25 5. The credit allowed under this section for the taxable year may not exceed the
26 liability for tax under this chapter.

27 6. In the case of a taxpayer that is a partner in a partnership or a member in a limited
28 liability company, the credit allowed for the taxable year may not exceed an
29 amount separately computed with respect to the taxpayer's interest in the trade,
30 business, or entity equal to the amount of tax attributable to that portion of the

- 1 taxpayer's taxable income which is allocable or apportionable to the taxpayer's
2 interest in the trade, business, or entity.
- 3 7. Except as provided in subsection 1, if the amount of the credit determined under
4 this section for any taxable year exceeds the limitation under subsection 5, the
5 excess may be used as a research credit carryback to each of the three preceding
6 taxable years and a research credit carryover to each of the fifteen succeeding
7 taxable years. The entire amount of the excess unused credit for the taxable year
8 must be carried first to the earliest of the taxable years to which the credit may be
9 carried and then to each successive year to which the credit may be carried and
10 the amount of the unused credit which may be added under this subsection may
11 not exceed the taxpayer's liability for tax less the research credit for the taxable
12 year.

17 requirements of subsection 4. The director shall establish the necessary forms
18 and procedures for certifying qualifying research and development companies.
19 The director shall issue a certification letter to the taxpayer and the tax
20 commissioner. A tax credit can be sold, transferred, or assigned subject to the
21 following:
- 22 a. A taxpayer's total credit assignment under this section may not exceed one
23 hundred thousand dollars over any combination of taxable years.

25 subsection, the tax credit transferor and the tax credit purchaser jointly shall
26 file with the tax commissioner a copy of the purchase agreement and a
27 statement containing the names, addresses, and taxpayer identification
28 numbers of the parties to the transfer, the amount of the credit being
29 transferred, the gross proceeds received by the transferor, and the taxable
30 year or years for which the credit may be claimed. The taxpayer and the
31 purchaser also shall file a document allowing the tax commissioner to

4 date the purchase agreement is fully executed.
- 5 c. The purchaser of the tax credit shall claim the credit beginning with the
6 taxable year in which the credit purchase agreement was fully executed by
7 the parties. A purchaser of a tax credit under this section has only such rights
8 to claim and use the credit under the terms that would have applied to the tax
9 credit transferor, except the credit purchaser may not carry back the credit as
10 otherwise provided in this section. This subsection does not limit the ability of
11 the tax credit purchaser to reduce the tax liability of the purchaser, regardless
12 of the actual tax liability of the tax credit transferor.
- 13 d. The original purchaser of the tax credit may not sell, assign, or otherwise
14 transfer the credit purchased under this section.
- 15 e. If the amount of the credit available under this section is changed as a result
16 of an amended return filed by the transferor, or as the result of an audit
17 conducted by the internal revenue service or the tax commissioner, the
18 transferor shall report to the purchaser the adjusted credit amount within thirty
19 days of the amended return or within thirty days of the final determination
20 made by the internal revenue service or the tax commissioner. The tax credit
21 purchaser shall file amended returns reporting the additional tax due or
22 claiming a refund as provided in section 57-38-38 or 57-38-40, and the tax
23 commissioner may audit these returns and assess or issue refunds, even
24 though other time periods prescribed in these sections may have expired for
25 the purchaser.
- 26 f. Gross proceeds received by the tax credit transferor must be assigned to
27 North Dakota. The amount assigned under this subsection cannot be
28 reduced by the taxpayer's income apportioned to North Dakota or any North
29 Dakota net operating loss of the taxpayer.
- 30 g. The tax commissioner has four years after the date of the credit assignment
31 to audit the returns of the credit transferor and the purchaser to verify the

1 correctness of the amount of the transferred credit and if necessary assess
2 the credit purchaser if additional tax is found due. This subdivision does not
3 limit or restrict any other time period prescribed in this chapter for the
4 assessment of tax.

5 h. The tax commissioner may adopt rules to permit verification of the validity and
6 timeliness of the transferred tax credit.

7 9. If a taxpayer acquires or disposes of the major portion of a trade or business or the
8 major portion of a separate unit of a trade or business in a transaction with another
9 taxpayer, the taxpayer's qualified research expenses and base period must be
10 adjusted in the manner provided by section 41(f)(3) of the Internal Revenue Code
11 [26 U.S.C. 41(f)(3)].

12 10. If a taxpayer entitled to the credit provided by this section is a member of a group
13 of corporations filing a North Dakota consolidated tax return using the combined
14 reporting method, the credit may be claimed against the aggregate North Dakota
15 tax liability of all the corporations included in the North Dakota consolidated return.
16 This section does not apply to tax credits received or purchased under
17 subsection 8.

18 11. An individual, estate, or trust that purchases a credit under this section is entitled
19 to claim the credit against state income tax liability under section ~~57-38-29~~ or
20 57-38-30.3.

21 12. A partnership, subchapter S corporation, limited partnership, limited liability
22 company, or any other passthrough entity entitled to the credit under this section
23 must be considered to be the taxpayer for purposes of calculating the credit. The
24 amount of the allowable credit must be determined at the passthrough entity level.
25 The total credit determined at the entity level must be passed through to the
26 partners, shareholders, or members in proportion to their respective interests in the
27 passthrough entity. An individual taxpayer may take the credit passed through
28 under this subsection against the individual's state income tax liability under
29 sections ~~57-38-29 and 57-38-30~~ section 57-38-30.3.

4 this section is entitled to a credit or refund for the amount of tax paid to the
5 other jurisdiction, not including penalty or interest, as provided under
6 subsection ~~2 or 6 of section 57-38-04~~ 1 or ~~subsection 4 of section 57-38-30.3,~~
7 notwithstanding the time limitations of this section. The claim for the credit or
8 refund under this subdivision must be submitted to the commissioner within
9 one year from the date the taxes were paid to the other jurisdiction. The
10 taxpayer must submit sufficient proof to show entitlement to a credit or refund
11 under this subdivision.

12 **SECTION 29. AMENDMENT.** Section 57-38.5-03 of the North Dakota Century Code is
13 amended and reenacted as follows:

14 **57-38.5-03. Seed capital investment tax credit.** If a taxpayer makes a qualified
15 investment in a qualified business, the taxpayer is entitled to a credit against state income tax
16 liability under section ~~57-38-29~~, 57-38-30; or 57-38-30.3.

- 17 1. The amount of the credit to which a taxpayer is entitled is forty-five percent of the
18 amount invested by the taxpayer in qualified businesses during the taxable year.
- 19 2. The maximum annual credit a taxpayer may claim under this section is not more
20 than one hundred twelve thousand five hundred dollars. This subsection may not
21 be interpreted to limit additional investment by a taxpayer for which that taxpayer is
22 not applying for a credit.
- 23 3. Any amount of credit under subsection 1 not allowed because of the limitation in
24 subsection 2 may be carried forward for up to four taxable years after the taxable
25 year in which the investment was made.

27 the taxpayer for purposes of the investment limitations in this section and the
28 amount of the credit allowed with respect to a passthrough entity's investment in a
29 qualified business must be determined at the passthrough entity level. The
30 amount of the total credit determined at the passthrough entity level must be

19 immediate family of a taxpayer disqualified by this subsection is not entitled to the
20 credit under this section. For purposes of this subsection, "immediate family"
21 means the taxpayer's spouse, parent, sibling, or child or the spouse of any such
22 person.

27 section otherwise determined by the tax commissioner. The commissioner has
28 four years after the due date of the return or after the return was filed, whichever
29 period expires later, to audit the credit and assess additional tax that may be found
30 due to failure to comply with the provisions of this chapter. The amount of any
31 credit disallowed by the tax commissioner that reduced the taxpayer's income tax

1 liability for any or all applicable tax years, plus penalty and interest as provided
2 under section 57-38-45, must be paid by the taxpayer.

3 10. An angel fund that invests in a qualified business must be considered to be the
4 taxpayer for purposes of the investment limitations in this section. The amount of
5 the credit allowed with respect to an angel fund's investment in a qualified
6 business must be determined at the angel fund level. The amount of the total
7 credit determined at the angel fund level must be allowed to the investors in the
8 angel fund in proportion to the investor's respective interests in the fund. An angel

31 subsection 2, the amount of the credit allowed with respect to the passthrough

- 1 entity's investment in a qualified business must be determined at the passthrough
