4 **WHEREAS**, Theodore Roosevelt National Park has released a Draft Elk Management  
5 Plan/Environmental Impact Statement; and

9 **WHEREAS**, one alternative for initial herd reduction focuses on sharpshooting elk,  
10 using government employees, contractors, or skilled volunteers; and

11 **WHEREAS**, North Dakota is opposed to the action alternatives identified in the Draft Elk  
12 Management Plan/Environmental Impact Statement released by Theodore Roosevelt National  
13 Park; and

14 **WHEREAS**, hunting within the park boundaries is not currently allowed under federal  
15 law; and

16 **WHEREAS**, the elk population of Theodore Roosevelt National Park must be reduced to

18 possibility of chronic wasting disease entering the park's elk population; and

19 **WHEREAS**, North Dakota sportsmen have the hunting tradition, expertise, and ethics to  
20 assist the National Park Service in this effort; and

21 **WHEREAS**, North Dakota sharpshooters should be chosen by a lottery system and be  
22 entitled to keep any animal the sharpshooter takes;
