"**SECTION 3.** Section 50-25.1-15.1 of the North Dakota Century Code is created and enacted as follows:

50-25.1-15.1. Abandoned infant - Fire station procedure - Reporting immunity.

1. As used in this section:
 - a. "Abandoned infant" means an abandoned infant as defined in section 27-20-02 and which has been left at a fire station in an unharmed condition.
 - b. "Fire station" means a fire station that is open and operating twenty-four hours a day seven days a week and which is continually staffed with full-time, paid firefighters who are licensed as emergency medical services professionals under chapter 23-27.
2. A parent of an infant may abandon the infant by leaving the infant with an appropriate individual at any fire station. An agent of the parent may leave an abandoned infant with an appropriate individual at a fire station with the parent's consent. Neither the parent nor the agent is subject to prosecution under sections 14-07-15 and 14-09-22 for leaving the abandoned infant at a fire station.
3. A fire station shall accept an infant abandoned or left under this section. The fire station may request information regarding the parents and shall provide the parent or the agent with a medical history form and an envelope with the fire station's return address. Neither the parent nor the agent is required to provide any information.
4. The fire station shall provide the parent or the agent with a numbered identification bracelet to link the parent or the agent to the abandoned

infant. Possession of an identification bracelet does not entitle the bracelet holder to take custody of the abandoned infant on demand. If an individual possesses a bracelet linking the individual to an abandoned infant left at a fire station under this section and parental rights have not been terminated, possession of the bracelet creates a presumption that the individual has standing to participate in a protection services action brought under this chapter or chapter 27-20. Possession of the bracelet does not create a presumption of maternity, paternity, or custody.

5. The fire station may provide the parent or the agent with any relevant information, including:
 - a. Information about the safe place for abandoned infant programs;
 - b. Information about adoption and counseling services; and
 - c. Information about whom to contact if reunification is sought.
6. Within twenty-four hours of receiving an abandoned infant under this section, the fire station shall report to the department that an abandoned infant has been left at the fire station. The report may not be made before the parent or the agent leaves the fire station.
7. The fire station and the fire station employees and agents are immune from any criminal or civil liability for accepting an abandoned infant under this section.
8. Upon receiving a report of an abandoned infant left at a fire station under this section, the department shall proceed as required under this chapter if it appears that the abandoned infant was not harmed, except the department may not attempt to identify or contact the parent or the agent. If it appears the abandoned infant was harmed, the department shall initiate an assessment of the matter as required by law.
9. If an individual claiming to be the parent or the agent contacts the department and requests to be reunited with the abandoned infant, the department may identify or contact the individual as required under this chapter and all other applicable laws. If an individual contacts the department seeking information only, the department may attempt to obtain information regarding the identity and medical history of the parents and may provide information regarding the procedures in an abandoned infant case. The individual is under no obligation to respond to the request for information, and the department may not attempt to compel response to investigate the identity or background of the individual."

f. For an individual who is not a resident of this state for the entire year, or for a nonresident estate or trust, the tax is equal to the tax otherwise computed under this subsection multiplied by a fraction in which:

- (1) The numerator is the federal adjusted gross income allocable and apportionable to this state; and
- (2) The denominator is the federal adjusted gross income from all sources reduced by the net income from the amounts specified in subdivisions a and b of subsection 2.

In the case of married individuals filing a joint return, if one spouse is a resident of this state for the entire year and the other spouse is a nonresident for part or all of the tax year, the tax on the joint return must be computed under this subdivision.

g. For taxable years beginning after December 31, 2001, the tax commissioner shall prescribe new rate schedules that apply in lieu of the schedules set forth in subdivisions a through e. The new schedules must be determined by increasing the minimum and maximum dollar amounts for each income bracket for which a tax is imposed by the cost-of-living adjustment for the taxable year as determined by the secretary of the United States treasury for purposes of section 1(f) of the United States Internal Revenue Code of 1954, as amended. For this purpose, the rate applicable to each income bracket may not be changed, and the manner of applying the cost-of-living adjustment must be the same as that used for adjusting the income brackets for federal income tax purposes.

h. The tax commissioner shall prescribe an optional simplified method of computing tax under this section that may be used by an individual taxpayer who is not entitled to claim an adjustment under subsection 2 or credit against income tax liability under subsection 7.i. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this chapter equal to the amount of income tax paid for the taxable year to another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also taxable under this section. The tax commissioner may require written proof of the tax paid to another

state. The required proof must be provided in a form and manner as determined by the tax commissioner. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subdivision may not exceed an amount equal to the tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by total federal adjusted gross income. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subdivision may not exceed the lesser of the following:

- (1) The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under this subsection.
 - (2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.
- j. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this chapter equal to the amount of income tax paid for the taxable year to another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also subject to tax under this section. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subdivision may not exceed an amount equal to the tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by total federal adjusted gross income. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subdivision may not exceed the lesser of the following:
- (1) The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under subdivision i.
 - (2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.
2. For purposes of this section, "North Dakota taxable income" means the federal taxable income of an individual, estate, or trust as computed under the Internal Revenue Code of 1986, as amended, adjusted as follows:
- a. Reduced by interest income from obligations of the United States and income exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.
 - b. Reduced by the portion of a distribution from a qualified investment fund described in section 57-38-01 which is attributable to investments by the qualified investment fund in obligations of the United States, obligations of North Dakota or its political subdivisions, and any other obligation the interest from which is exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.

- c. Reduced by the amount equal to the earnings that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.
- d. Reduced by thirty percent of the excess of the taxpayer's net long-term capital gain for the taxable year over the net short-term capital loss for that year, as computed for purposes of the Internal Revenue Code of 1986, as amended. The adjustment provided by this subdivision is allowed only to the extent the net long-term capital gain is allocated to this state.
- e. Increased by the amount of a lump sum distribution for which income averaging was elected under section 402 of the Internal Revenue Code of 1986 [26 U.S.C. 402], as amended. This adjustment does not apply if the taxpayer received the lump sum distribution while a nonresident of this state and the distribution is exempt from taxation by this state under federal law.
- f. Increased by an amount equal to the losses that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.
- g. Reduced by the amount received by the taxpayer as payment for services performed when mobilized under title 10 United States Code federal service as a member of the national guard or reserve member of the armed forces of the United States. This subdivision does not apply to federal service while attending annual training, basic military training, or professional military education.
- h. Reduced by income from a new and expanding business exempt from state income tax under section 40-57.1-04.
- i. Reduced by interest and income from bonds issued under chapter 11-37.
- j. Reduced by up to ten thousand dollars of qualified expenses that are related to a donation by a taxpayer or a taxpayer's dependent, while living, of one or more human organs to another human being for human organ transplantation. A taxpayer may claim the reduction in this subdivision only once for each instance of organ donation during the taxable year in which the human organ donation and the human organ transplantation occurs but if qualified expenses are incurred in more than one taxable year, the reduction for those expenses must be claimed in the year in which the expenses are incurred. For purposes of this subdivision:
 - (1) "Human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person.
 - (2) "Organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow.
 - (3) "Qualified expenses" means lost wages not compensated by sick pay and unreimbursed medical expenses as defined for federal income tax purposes, to the extent not deducted in computing federal taxable income, whether or not the taxpayer itemizes federal income tax deductions.
- k. Increased by the amount of the contribution upon which the credit under section 57-38-01.21 is computed, but only to the extent that the contribution reduced federal taxable income.
- l. Reduced by the amount of any payment received by a veteran or beneficiary of a veteran under section 37-28-03 or 37-28-04.
- m. Reduced by the amount received by a taxpayer that was paid by an employer under paragraph 4 of subdivision a of subsection 2 of section 57-38-01.25 to hire the taxpayer for a hard-to-fill position under section 57-38-01.25, but only to the extent the amount received

- by the taxpayer is included in federal taxable income. The reduction applies only if the employer is entitled to the credit under section 57-38-01.25. The taxpayer must attach a statement from the employer in which the employer certifies that the employer is entitled to the credit under section 57-38-01.25 and which specifically identified the type of payment and the amount of the exemption under this section.
- n. Reduced by the amount up to a maximum of five thousand dollars, or ten thousand dollars if a joint return is filed, for contributions made under a higher education savings plan administered by the Bank of North Dakota, pursuant to section 6-09-38.
 - o. Reduced by the amount of income of a taxpayer, who resides within the boundaries of any reservation in this state and who is an enrolled member of a federally recognized Indian tribe, from activities or sources within the boundaries of any reservation in this state.
3. Married individuals filing a joint federal income tax return shall file a joint state income tax return if the return is filed under this section. If separate federal income tax returns are filed, one spouse's state income tax return may be filed under this section and the other spouse's income tax return may be filed under the other provisions of this chapter.
 4.
 - a. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this section for the amount of income tax paid by the taxpayer for the taxable year by another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also subject to tax under this section.
 - b. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subsection may not exceed an amount equal to the tax imposed under this section multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by federal adjusted gross income less the amounts under subdivisions a and b of subsection 2.
 - c. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subsection may not exceed the lesser of the following:
 - (1) The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under subdivisions a and b of subsection 2.
 - (2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.
 - d. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner.
 5. Individuals, estates, or trusts that file an amended federal income tax return changing their federal taxable income figure for a year for which an election to file state income tax returns has been made under this section shall file an amended state income tax return to reflect the changes on the federal income tax return.
 6. The tax commissioner may prescribe procedures and guidelines to prevent requiring income that had been previously taxed under this chapter from becoming taxed again because of the provisions of this section and may prescribe procedures and guidelines to prevent any income from becoming exempt from taxation because of the provisions of this section if it would

otherwise have been subject to taxation under the provisions of this chapter.

7. A taxpayer filing a return under this section is entitled to the following tax credits:
 - a. Family care tax credit under section 57-38-01.20.
 - b. Renaissance zone tax credits under sections 40-63-04, 40-63-06, and 40-63-07.

9.
 - a. If an individual taxpayer engaged in a farming business elects to average farm income under section 1301 of the Internal Revenue Code [26 U.S.C. 1301], the taxpayer may elect to compute tax under this subsection. If an election to compute tax under this subsection is made, the tax imposed by subsection 1 for the taxable year must be equal to the sum of the following:
 - (1) The tax computed under subsection 1 on North Dakota taxable income reduced by elected farm income.
 - (2) The increase in tax imposed by subsection 1 which would result if North Dakota taxable income for each of the three prior taxable years were increased by an amount equal to one-third of the elected farm income. However, if other provisions of this chapter other than this section were used to compute the tax for any of the three prior years, the same provisions in effect for that prior tax year must be used to compute the increase in tax under this paragraph. For purposes of applying this paragraph to taxable years beginning before January 1, 2001, the increase in tax must be determined by recomputing the tax in the manner prescribed by the tax commissioner.

 - d. The tax commissioner may prescribe rules, procedures, or guidelines necessary to administer this subsection.
10. The tax commissioner may prescribe tax tables, to be used in computing the tax according to subsection 1, if the amounts of the tax tables are based on the tax rates set forth in subsection 1. If prescribed by the tax commissioner, the tables must be followed by every individual, estate, or trust determining a tax under this section.

allocable or apportionable to the taxpayer's interest in the trade, business, or entity.

7. Except as provided in subsection 1, if the amount of the credit determined under this section for any taxable year exceeds the limitation under subsection 5, the excess may be used as a research credit carryback to each of the three preceding taxable years and a research credit carryover to each of the fifteen succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried and the amount of the unused credit which may be added under this subsection may not exceed the taxpayer's liability for tax less the research credit for the taxable year.
8. A taxpayer that is certified as a qualified research and development company by the director may elect to sell, transfer, or assign all or part of the unused tax credit earned under this section. The taxpayer and the purchaser also shall file a document allowing the tax commissioner to disclose tax information to either party for the purpose of verifying the correctness of the transferred tax credit. The purchase agreement, supporting statement, and waiver must be filed within thirty days after the date the purchase agreement is fully executed.
 - c. The purchaser of the tax credit shall claim the credit beginning with the taxable year in which the credit purchase agreement was fully executed by the parties. - f. Gross proceeds received by the tax credit transferor must be assigned to North Dakota. The amount assigned under this subsection cannot be reduced by the taxpayer's income apportioned to North Dakota or any North Dakota net operating loss of the taxpayer.
 - g. The tax commissioner has four years after the date of the credit assignment to audit the returns of the credit transferor and the purchaser to verify the correctness of the amount of the transferred credit and if necessary assess the credit purchaser if additional tax is found due. This subdivision does not limit or restrict any other time period prescribed in this chapter for the assessment of tax.
 - h. The tax commissioner may adopt rules to permit verification of the validity and timeliness of the transferred tax credit.

 4.
 - a. This section does not apply to a school district if the board of the school district, after a public hearing at which public testimony and documentary evidence are accepted, determines in its discretion and by an affirmative vote of two-thirds of the members of the board that complying with subsection 1 would place the school district in the position of having insufficient fiscal resources to meet the school district's other obligations.

SECTION 44. FEDERAL IMPACT AID - BASELINE RECALCULATION - GRANT.

1. If the amount of federal impact aid received by a school district during the 2006-07 school year resulted in that district losing state aid under section 15.1-27-35.3 during the 2007-09 biennium, the superintendent shall reestablish that district's baseline by:
 - a. Adding together the amount of state aid that the district would have received during the 2006-07 school year if in determining the district's ending fund balance the average amount of federal impact aid received by the district during the 2005-06 and 2006-07 school years had been used, rather than the actual amount received during the 2006-07 school year;

SECTION 1. AMENDMENT. Section 40-47-01.1 of the North Dakota Century Code is amended and reenacted as follows:

40-47-01.1. (Effective through July 31, 2009) Extraterritorial zoning - Mediation - Determination by administrative law judge.

1. A city may, by ordinance, extend the application of a city's zoning regulations to any quarter quarter section of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:
 - a. One-half mile [.80 kilometer] if the city has a population of fewer than five thousand.
 - b. One mile [1.61 kilometers] if the city has a population of five thousand or more, but fewer than twenty-five thousand.
 - c. Two miles [3.22 kilometers] if the city has a population of twenty-five thousand or more.
2. Subject to subsections 5 and 6, a city, by ordinance, may extend the application of the city's zoning regulations to two times the distance allowed under subdivisions a, b, and c of subsection 1 if the extension is approved by at least five of six members of a committee established to review the proposed extension. The committee must consist of three members appointed by the governing body of the city and three members appointed, jointly, by the governing bodies of any political subdivision that is exercising zoning authority within the territory to be extraterritorially zoned.
3. If a quarter quarter section line divides a platted lot and the majority of that platted lot lies within the quarter quarter section, a city may apply its extraterritorial zoning authority to the remainder of that platted lot. If the majority of the platted lot lies outside the quarter quarter section, the city may not apply its extraterritorial zoning authority to any of that platted lot.

4. A city exercising its extraterritorial zoning authority shall hold a zoning transition meeting if the territory to be extraterritorially zoned is currently zoned. The city's zoning or planning commission shall provide at least fourteen days' notice of the meeting to the zoning board or boards of all political subdivisions losing their partial zoning authority. The purpose of the zoning transition meeting is to review existing zoning rules, regulations, and restrictions currently in place in the territory to be extraterritorially zoned and to plan for an orderly transition. The zoning transition meeting must take place before the city's adoption of an ordinance exercising extraterritorial zoning.
5. If two or more cities have boundaries at a distance where there is an overlap of extraterritorial zoning authority under this section, the governing bodies of the cities may enter into an agreement regarding the extraterritorial zoning authority of each city. The agreement must be for a specific term and is binding upon the cities unless the governing bodies of the cities agree to amend or rescind the agreement or unless determined otherwise by an administrative law judge in accordance with this chapter. If a dispute arises concerning the extraterritorial zoning authority of a city and the governing bodies of the cities involved fail to resolve the dispute, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor, one member of the governing body of each city, and one member of the planning commission of each city who resides outside the corporate city limits. The governor's appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile.
6. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies of all the cities involved, the governing body of any of the cities may petition the office of administrative hearings to appoint an administrative law judge to determine the extraterritorial zoning authority of the cities in the disputed area. A hearing may not be held until after at least two weeks' written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor's appointee who mediated the meetings under subsection 4 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. Any resident of, or person owning property in, a city involved in the dispute or the unincorporated territory that is the subject of the proposed extraterritorial zoning, a representative of such a resident or property owner, and any representative of a city involved, may appear at the hearing and present evidence on any matter to be determined by the administrative law judge. A decision by the administrative law judge is binding upon all the cities involved in the dispute and remains effective until the governing bodies of the cities agree to a change in the zoning authority of the cities. The governing body of a city may request a review of a decision of an administrative law judge due to changed circumstances at any time ten years after the decision has become final. An administrative law judge shall consider the following factors in making a decision under this subsection:
 - a. The proportional extraterritorial zoning authority of the cities involved in the dispute;
 - b. The proximity of the land in dispute to the corporate limits of each city involved;
 - c. The proximity of the land in dispute to developed property in the cities involved;
 - d. Whether any of the cities has exercised extraterritorial zoning authority over the disputed land;
 - e. Whether natural boundaries such as rivers, lakes, highways, or other physical characteristics affecting the land are present;
 - f. The growth pattern of the cities involved in the dispute; and

- g. Any other factor determined to be relevant by the administrative law judge.
- 7. For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-22.
- 8. When a portion of the city is attached to the bulk of the city by a strip of land less than one hundred feet [30.48 meters] wide, that portion and strip of land must be disregarded when determining the extraterritorial zoning limits of the city. This subsection does not affect the ability of a city to zone land within its city limits.
- 9. For the purposes of this section, a quarter quarter section shall be determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase "quarter quarter section" refers to the equivalent government lot.

If the governing body that would otherwise have jurisdiction objects, the governing body of the city shall submit the issue to the board of county commissioners for a final decision. The board of county commissioners shall make a final decision and issue findings based on the record and the comprehensive plans on file from the city, township, and county.
- 4. If a quarter quarter section line divides a platted lot and the majority of that platted lot lies within the quarter quarter section, a city may apply its extraterritorial zoning authority to the remainder of that platted lot. A hearing may not be held until after at least two weeks' written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor's appointee who mediated the meetings under subsection 4 6 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. WHEREAS, offshore oil drilling would create new jobs that often pay well above the national average; and

WHEREAS, production of oil and natural gas has brought billions of dollars in revenue to state and federal governments; and

WHEREAS, new drilling techniques and environmentally sound technologies have made drilling and production methods that practically eliminate spills from offshore platforms; and

WHEREAS, America's energy producers and North Dakota's oil and gas industry invest billions of dollars into research and development of new energy technologies to make exploration in the Outer Continental Shelf and the Bakken Shale Formation economical; and

WHEREAS, the administration's proposal of billions of dollars in new taxes on America's oil and gas industry will discourage investment in new energy technologies and exploration, resulting in a loss of jobs, and more price volatility in energy markets; and

WHEREAS, safe and responsible development and production of domestic energy resources will provide economic benefits, enhance national security, reduce dependence on foreign sources of energy, and encourage research and development of new energy technologies;

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That the Sixty-first Legislative Assembly strongly urges the President and Congress to explore and develop oil and natural gas resources in the Outer Continental Shelf, promote domestic energy production, and to not impose additional taxes on America's energy producers; and
