After the transfer of the first five million five hundred thousand dollars, any moneys in the highway tax distribution fund must be allocated and transferred monthly by the state treasurer, as follows:

 - c. The share distributed to each city in the county having a population of one thousand to four thousand nine hundred ninety-nine, inclusive,

must be determined by multiplying the population of that city by the product of 1.25 times the statewide per capita average computed under subdivision a.

- d.
