22 **13-11-02. License required.**

24 this chapter and without first having obtained a license under this chapter. A person that
25 engages in debt settlement is deemed to engage in debt settlement in this state if the debtor
26 resides in this state.

27 **13-11-03. Application for license.**

28 Every application for a debt-settlement provider license, or for a renewal thereof, must be
29 made upon forms designed and furnished by the commissioner and must contain any
30 information which the commissioner determines necessary and proper. The commissioner may

1 require any application to provide additional information that is not requested on the application
2 form. The applicant must register with the secretary of state if so required.

3 **13-11-04. Fee and bond to accompany application for debt-settlement license.**

4 The application for license must be in writing, under oath, and in the form prescribed by the
5 commissioner. The application must give the location where the business is to be conducted
6 and must contain any further information the commissioner requires, including the names and
7 addresses of the partners, officers, directors, trustees, and the principal owners or members, as
8 will provide the basis for the investigation and findings contemplated by section 13-11-03. At the
9 time of making the application, the applicant shall include payment in the sum of four hundred
10 dollars, which is not subject to refund, as a fee for investigating the application; the sum of four
11 hundred dollars for the annual license fee; and provide a surety bond in the sum of fifty
12 thousand dollars or an additional amount as required by the commissioner by rule. In addition,
13 the applicant shall pay a fifty dollar annual fee for each branch location. Fees must be deposited
14 in the financial institutions regulatory fund as provided under section 6-01-01.1.

15 **13-11-05. Qualifications for license.**

16 1. Upon the filing of the application, the approval of the bond, and the payment of the
17 specified fees, the commissioner may issue a license if the commissioner finds all of
18 the following:

19 a. The financial responsibility, experience, character, and general fitness of the
20 applicant, managers, partners, officers, and directors are such as to command
21 the confidence of the community and to warrant belief that the business will be
22 operated fairly, honestly, and efficiently within the purposes of this chapter.

23 b. The applicant, managers, partners, officers, and directors:

24 (1) Have not been convicted of a felony;

25 (2) Have not been convicted of a misdemeanor involving dishonesty or
26 untrustworthiness; or

27 (3) Have not been the subject of an adverse finding or adjudication in a license
28 disciplinary or other administrative proceeding concerning allegations
29 involving dishonesty or untrustworthiness.

1 c. The applicant, managers, partners, officers, and directors have not had a record
2 of having defaulted in the payment of money collected for others, including the
3 discharge of those debts through bankruptcy proceedings.

4 d. The applicant or any managers, partners, officers, and directors previously have
5 not violated any provision of this chapter or any rule adopted by the
6 commissioner unless the commissioner determines the violation is not material.

7 e. The applicant has not made any false statement or representation to the
8 commissioner in applying for a license under this chapter.

9 2. The commissioner shall deliver a license to the applicant to operate as a
10 debt-settlement provider in accordance with this chapter at the location specified in the
11 application. The license remains in full force and effect until it is surrendered by the
12 debt-settlement provider or revoked by the commissioner as provided in this chapter;
13 provided, however, that each license expires by its terms on December thirty-first next
14 following its issuance unless renewed as provided in this chapter. A license may not be
15 surrendered without the approval of the commissioner.

16 **13-11-06. Expiration and renewal of license.**

17 All licenses required under this chapter expire on December thirty-first of each year and
18 may be renewed. Renewals are effective the succeeding January first. Applications for renewal
19 must be submitted at least thirty days before the expiration of the license and must be
20 accompanied by the required annual fees, which are not subject to refund. The form and
21 content of renewal applications must be determined by the commissioner, and a renewal
22 application may be denied upon the same grounds as would justify denial of an initial
23 application. If a licensee has been delinquent in renewing the licensee's license, the
24 commissioner may charge an additional fee of fifty dollars for the renewal of the license. A
25 debt-settlement provider license is not transferable. If the commissioner determines that an
26 ownership change has occurred in a sole proprietorship, partnership, limited liability partnership,
27 corporation, or limited liability corporation that was previously granted a debt-settlement
28 provider license, the commissioner may require a new application from the purchaser. The
29 application must be filed at least thirty days before the date on which the change of ownership
30 is consummated.

1 **13-11-07. Applicant's obligation to update information.**

2 An applicant or licensed provider shall notify the commissioner within ten days after a
3 change in the information provided within the application.

4 **13-11-08. Records - Annual reports.**

5 1. Every licensee shall maintain records in conformity with generally accepted accounting
6 principles and practices in a manner that will enable the commissioner to determine
7 whether the licensee is complying with this chapter. The records of a licensee may be
8 maintained electronically provided all records can be reproduced upon request of the
9 commissioner and within the required statutory timeframe outlined in this section.

10 2. Before August first of each year, the parent company of each licensee shall file with
11 the commissioner a composite annual report in the form prescribed by the
12 commissioner relating to services provided by licensees.

13 **13-11-09. Approval or denial of a license.**

14 Any complete application for a license must be approved or denied within sixty days after
15 the filing of the complete application with the commissioner.

16 **13-11-10. Revocation of license - Suspension of license - Surrender of license.**

17 1. If the commissioner has reason to believe that grounds for revocation of a license
18 exist, the commissioner may send by certified mail to the licensee a notice of hearing
19 stating the contemplated action and in general the grounds thereof and setting the
20 time and place for a hearing thereon. Grounds for revocation of a license include:

21 a. Any debt-settlement provider has failed to pay the annual license fee or to
22 maintain in effect the bond required under this chapter;

23 b. The debt-settlement provider has violated this chapter or any rule lawfully made
24 by the commissioner implementing this chapter;

25 c. Any fact or condition exists that, if it had existed at the time of the original
26 application for a license, would have warranted the commissioner in refusing its
27 issuance; or

28 d. Any applicant has made any false statement or representation to the
29 commissioner in applying for a license under this chapter.

30 2. If the commissioner finds that probable cause for revocation of any license exists and
31 that enforcement of the chapter requires immediate suspension of that license pending

1 investigation, the commissioner, upon written notice, may enter an order suspending
2 that license for a period not exceeding thirty days, pending the holding of a hearing as
3 prescribed in this chapter.

4 3. Any licensee may surrender the licensee's license by delivering the license to the
5 commissioner with written notice of its surrender; however, surrender of the license
6 does not affect the licensee's civil or criminal liability for acts committed before the
7 surrender of the license.

8 **13-11-11. Suspension and removal of debt-settlement provider officers and**
9 **employees.**

- 10 1. The commissioner may issue and serve upon a debt-settlement provider officer or
11 employee, and upon the licensee involved, a complaint stating the basis for the
12 commissioner's belief that the officer or employee is willfully engaging or has willfully
13 engaged in any of the following conduct:
- 14 a. Violating a law, rule, order, or written agreement with the commissioner;
 - 15 b. Engaging in harassment or abuse, the making of false or misleading
16 representations, engaging in unfair practices involving debt settlement, or
17 engaging in prohibited acts and practices under section 13-11-23; or
 - 18 c. Performing an act of commission or omission or practice that is a breach of trust
19 or a breach of fiduciary duty.
- 20 2. The complaint must contain a notice of opportunity for hearing.
- 21 3. If a hearing is not requested within twenty days of the date the complaint is served
22 upon the officer or employee, or if a hearing is held and the commissioner finds that
23 the record so warrants, the commissioner may enter an order suspending or
24 temporarily removing the employee or officer from office for a period not exceeding
25 three years from the effective date of the suspension or temporary removal.
- 26 4. A contested or default suspension or temporary removal order is effective immediately
27 upon service of the order on the officer or employee and upon the licensee. A consent
28 order is effective as agreed. An officer or employee suspended or temporarily removed
29 from office pursuant to this section is not eligible, while under suspension, for
30 reinstatement to a position with a debt-settlement provider.

1 5. When an officer or employee, or other person participating in the conduct of the affairs
2 of a licensee, is charged with a felony in state or federal court which involves
3 dishonesty or breach of trust, the commissioner immediately may suspend the person
4 from office or prohibit the person from further participation in the affairs of the
5 debt-settlement provider, or both. The order is effective immediately upon service of
6 the order on the licensee and the person charged and remains in effect until the
7 criminal charge is finally disposed of or until modified by the commissioner. If a
8 judgment of conviction, federal pretrial diversion, or similar state order or judgment is
9 entered, the commissioner may order that the suspension or prohibition be made
10 permanent. A finding of not guilty or other disposition of the charge does not preclude
11 the commissioner from pursuing administrative or civil remedies.

12 **13-11-12. Advertising and marketing practices.**

- 13 1. A debt-settlement provider may not represent, expressly or by implication, any results
14 or outcomes of its debt-settlement services in any advertising, marketing, or other
15 communication to consumers unless the debt-settlement provider possesses
16 substantiation for the representation at the time the representation is made.
- 17 2. A debt-settlement provider may not make, expressly or by implication, any unfair or
18 deceptive representations, or any omissions of material facts, in any of its advertising
19 or marketing communications concerning debt-settlement services.
- 20 3. All advertising and marketing communications concerning debt-settlement services
21 must disclose the following material information clearly and conspicuously:
22 Debt-settlement services are not appropriate for everyone. Failure to pay your monthly
23 bills in a timely manner will result in increased balances and will harm your credit
24 rating. Not all creditors may agree to reduce principal balance, and they may pursue
25 collection, including lawsuits.

26 **13-11-13. Contracts, books, and records.**

- 27 1. Upon request, each debt-settlement provider shall furnish to the commissioner a copy
28 of the contract entered between the debt-settlement provider and the debtor. The
29 debt-settlement provider shall furnish the debtor with a copy of the written contract at
30 the time of execution which sets forth the charges, if any, agreed upon for the services
31 of the debt-settlement provider.

1 2. Each debt-settlement provider shall maintain records and accounts that will enable
2 any debtor contracting with the debt-settlement provider, at any reasonable time, to
3 ascertain the status of all the debtor's accounts with the debt-settlement service
4 provider, including the amount of any fees paid by the debtor, amount held in trust, if
5 applicable, settlement offers made and received on each of the debtor's accounts, and
6 legally enforceable settlements reached with the debtor's creditors. Within seven days
7 after a request for that information by the debtor, the debt-settlement provider shall
8 furnish a statement showing the total amount received and the total disbursements to
9 each creditor to any individual. Each debt-settlement provider shall issue a receipt for
10 each payment made by the debtor at a debt-settlement provider office. Each
11 debt-settlement provider shall prepare and retain in the file of each debtor a written
12 analysis of the debtor's income and expenses to substantiate that the plan of payment
13 is feasible and practical.

14 **13-11-14. Trust funds - Requirements and restrictions.**

15 1. All funds received by a debt-settlement provider or the provider's agent from and for
16 the purpose of paying bills, invoices, or accounts of a debtor constitute trust funds
17 owned by and belonging to the debtor from whom the funds were received. All such
18 funds received by the debt-settlement provider must be separated from the funds of
19 the debt-settlement provider not later than the end of the business day following
20 receipt by the debt-settlement provider. All such funds must be kept separate and
21 apart at all times from funds belonging to the debt-settlement provider or any of its
22 officers, employees, or agents and may be used for no purpose other than paying bills,
23 invoices, or accounts of the debtor. On or before the close of the business day
24 following receipt, all such trust funds received at the main or branch offices of a
25 debt-settlement provider must be deposited in a bank in an account in the name of the
26 debt-settlement provider-designated trust account, or by some other appropriate name
27 indicating that the funds are not the funds of the debt-settlement provider or its
28 officers, employees, or agents.

29 2. At least once every month, the debt-settlement provider shall render an accounting to
30 the debtor that itemizes the total amount received from the debtor, the total amount
31 paid each creditor, the amount of charges deducted, and any amount held in reserve.

1 if applicable, and the status of each of the debtor's enrolled accounts. In addition, a
2 debt-settlement provider shall provide such an accounting to a debtor within seven
3 days after written demand, but not more than three times per six-month period.

4 3. This chapter does not require the establishment of a trust account if no consumer
5 funds other than earned settlement fees are held or controlled by a debt-settlement
6 provider.

7 **13-11-15. Requirement of good faith.**

8 A provider shall act in good faith in all matters under this chapter.

9 **13-11-16. Customer service.**

10 A provider that is required to be registered under this chapter shall maintain a toll-free
11 communication system, staffed at a level that reasonably permits an individual to speak to a
12 certified counselor or customer service representative, as appropriate, during ordinary business
13 hours.

14 **13-11-17. Required presale consumer disclosures and warnings.**

15 1. Before the consumer signs a contract, the debt-settlement provider shall provide an
16 oral and written notice to the consumer that clearly and conspicuously discloses all of
17 the following:

18 a. Debt-settlement services may not be suitable for all consumers.

19 b. Using a debt-settlement service likely will harm the consumer's credit history and
20 credit score.

21 c. Using a debt-settlement service does not stop creditor collection activity,
22 including creditor lawsuits and garnishments.

23 d. Not all creditors may accept a reduction in the balance, interest rate, or fees a
24 consumer owes.

25 e. The consumer should inquire about other means of dealing with debt, including
26 nonprofit credit counseling and bankruptcy.

27 f. The consumer remains obligated to make periodic or scheduled payments to
28 creditors while participating in a debt-settlement plan, and that the
29 debt-settlement provider will not make any periodic or scheduled payments to
30 creditors on behalf of the consumer.

31 g. The failure to make periodic or scheduled payments to a creditor is likely to:

- 1 (1) Harm the consumer's credit history, credit rating, or credit score;
2 (2) Lead the creditor to increase lawful collection activity, including litigation,
3 garnishment of the consumer's wages, and judgment liens on the
4 consumer's property; and
5 (3) Lead to the imposition by the creditor of interest charges, late fees, and
6 other penalty fees, increasing the principal amount of the debt.
- 7 h. The amount of time estimated to be necessary to achieve the represented
8 results.
- 9 i. The estimated amount of money or the percentage of debt the consumer must
10 accumulate before a settlement offer will be made to each of the consumer's
11 creditors.
- 12 j. A statement indicating that debt-settlement providers are licensed and regulated
13 by the North Dakota department of financial institutions and any complaints
14 regarding the services of a debt-settlement provider should be directed to the
15 North Dakota department of financial institutions, Bismarck, North Dakota.
- 16 2. The consumer shall sign and date an acknowledgment form entitled "Consumer
17 Notice and Rights Form" that states: "I, the debtor, have received from the
18 debt-settlement provider a copy of the form entitled "Consumer Notice and Rights
19 Form". The debt-settlement provider or its representative also shall sign and date the
20 acknowledgment form, which includes the name and address of the debt-settlement
21 services provider. The acknowledgment form must be in duplicate and incorporated
22 into the "Consumer Notice and Rights Form". The original acknowledgment form must
23 be retained by the debt-settlement provider, and the duplicate copy must be retained
24 within the form by the consumer. If the acknowledgment form is in electronic form,
25 then the acknowledgment form must contain the consumer disclosures required by
26 section 101(c) of the federal Electronic Signatures in Global and National Commerce
27 Act [15 U.S.C. 7001(c)].
- 28 3. The requirements of this section are satisfied if the provider provides the following
29 warning verbatim, both orally and in writing, with the caption "CONSUMER NOTICE
30 AND RIGHTS FORM" in at least twenty-eight-point font and the remaining portion in at

1 least fourteen-point font to a consumer before the consumer signs a contract for the
2 debt-settlement provider's services:

3 "CONSUMER NOTICE AND RIGHTS FORM

9 - CREDITORS MAY STILL SUE YOU FOR THE MONEY YOU OWE.
10 - YOUR WAGES OR BANK ACCOUNTS STILL MAY BE GARNISHED.
11 - YOUR CREDIT RATING AND CREDIT SCORE LIKELY WILL BE HARMED.

2 b. Is an employee or affiliate of the person.

3 **13-11-24. Notice of litigation.**

4 Within thirty days after a provider has been served with notice of a civil action for violation of
5 this chapter by or on behalf of an individual who resides in this state at either the time of a
6 contract or the time the notice is served, the provider shall notify the commissioner in a record
7 that it has been sued.

8 **13-11-25. Liability for the conduct of other persons.**

9 If a provider delegates any of its duties or obligations under a contract or this chapter to
10 another person, including an independent contractor, the provider is liable for conduct of the
11 person which, if done by the provider, would violate the contract or this chapter.

12 **13-11-26. Powers of the commissioner.**

13 Insofar as consistent with other provisions of law, the commissioner may:

- 14 1. Determine the qualifications of all applicants based on financial responsibility, financial
15 condition, business experience, character, and general fitness which must reasonably
16 warrant the belief that the applicant's business will be conducted lawfully and fairly. In
17 determining whether this qualification is met, and for the purpose of investigating
18 compliance with this chapter, the commissioner may review and consider the relevant
19 business records and capital adequacy of the applicant and the competence,
20 experience, integrity, and financial ability of a person who is a member, partner,
21 director, officer, or twenty-five percent or more shareholder of the applicant.
- 22 2. Conduct investigations and make an examination of any person, whether licensed or
23 not, who is engaged in the debt-settlement services business, including all records of
24 such business, and to subpoena witnesses anytime the commissioner has reason to
25 believe such is necessary. The licensee shall pay an examination or visitation fee and
26 must be charged by the commissioner at an hourly rate to be set by the commissioner,
27 sufficient to cover all reasonable expenses of the department associated with the
28 examination or visitation provided for by this section. Fees must be deposited in the
29 financial institutions regulatory fund.
- 30 3. Issue and serve upon any person or licensed debt-settlement provider an order to
31 cease and desist to take corrective action when the commissioner has reason to

1 believe the person or agency is violating, has violated, or is about to violate the
2 provisions of this chapter. An interested party may appeal issuance of a cease and
3 desist order under chapter 28-32 by filing written notice of appeal within twenty days
4 after service of the order.

5 4. Deny, suspend, revoke, condition, or decline to renew a license for a violation of this
6 chapter, rules or regulations issued under this chapter, or an order or directive entered
7 under this chapter.

8 5. Deny, suspend, revoke, condition, or decline to renew a license if an applicant or
9 licensee withholds information or makes a material misstatement in an application for
10 a license or renewal of a license.

11 **13-11-27. Enforcement authorities, violations, and penalties.**

12 1. Any person that violates this chapter is guilty of a class C felony.

13 2. The commissioner may impose a civil money penalty not to exceed five thousand
14 dollars per violation upon a person or agency that willfully violates a law, rule, written
15 agreement, or order under this chapter. An interested party may appeal the
16 assessment of a civil money penalty under chapter 28-32 by filing a written notice of
17 appeal within twenty days after service of the assessment of civil money penalties. A
18 civil money penalty collected under this section must be paid to the state treasurer and
19 deposited in the financial institutions regulatory fund.

20 3. The attorney general also may enforce this chapter. The attorney general, in enforcing
21 this chapter, has all the powers provided in this chapter or chapter 51-15 and may
22 seek all remedies in this chapter or chapter 51-15. A violation of this chapter is
23 deemed a violation of chapter 51-15. The remedies, duties, prohibitions, and penalties
24 of this chapter are not exclusive and are in addition to all other causes of action,
25 remedies, and penalties under chapter 51-15, or otherwise provided by law.

26 **13-11-28. Void contracts.**

27 1. If a provider imposes a fee or other charge or receives money or other payments not
28 authorized by sections 13-11-21 and 13-11-22, the contract is void and the individual
29 may recover as provided in section 13-11-20.

30 2. If a provider is not licensed as required by this chapter when an individual assents to a
31 contract, the contract is void.

1 3. For a void contract under subsection 2, the provider does not have a claim against the
2 individual for breach of contract or for restitution.

3 **13-11-29. Private enforcement.**

4 Any person that is aggrieved by a violation of this chapter may bring an action to enjoin the
5 violation, or for restitution, or both. The court may award the plaintiff the plaintiff's actual
6 restitution or a sum up to two thousand dollars, whichever is greater. The court may award the
7 plaintiff costs, expenses, and reasonable attorney's fees. This section does not limit any other
8 claims the person may have against the debt-settlement provider or any third party subject to
9 this chapter.

10 **SECTION 4. REPEAL.** Chapter 13-06 of the North Dakota Century Code is repealed.
