5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Subsections 2 and 3 of section 57-15-01.1 of the North Dakota
7 Century Code are amended and reenacted as follows:

8 2. For purposes of this section:

- 9 a. "Base year" means the taxing district's taxable year with the highest amount
10 levied in dollars in property taxes and mobile home taxes of the three taxable
11 years immediately preceding the budget year. For a park district general fund, the
12 "amount levied in dollars in property taxes and mobile home taxes" is the sum of
13 amounts levied in dollars in property taxes and mobile home taxes for the general
14 fund under section 57-15-12 including any additional levy approved by the
15 electors, the insurance reserve fund under section 32-12.1-08, the employee
16 health care program under section 40-49-12, the public recreation system under
17 section 40-55-09 including any additional levy approved by the electors, forestry
18 purposes under section 57-15-12.1 except any additional levy approved by the
19 electors, pest control under section 4-33-11, and handicapped person programs
20 and activities under section 57-15-60;
- 21 b. "Budget year" means the taxing district's year for which the levy is being
22 determined under this section;
- 23 c. "Calculated mill rate" means the mill rate that results from dividing the base year
24 taxes levied by the sum of the taxable value of the taxable property and taxable

- 1 mobile homes in the base year plus the taxable value of the property exempt by
2 local discretion or charitable status, calculated in the same manner as the taxable
3 property; and
- 4 d. "Property exempt by local discretion or charitable status" means property
5 exempted from taxation as new or expanding businesses under chapter 40-57.1;
6 improvements to property under chapter 57-02.2; or buildings belonging to
7 institutions of public charity, new single-family residential or townhouse or
8 condominium property, property used for early childhood services, or pollution
9 abatement improvements under section 57-02-08.
- 10 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any
11 levy under this section must be specifically approved by a resolution approved by the
12 governing body of the taxing district. Before determining the levy limitation under this
13 section, the dollar amount levied in the base year must be:
- 14 a. Reduced by an amount equal to the sum determined by application of the base
15 year's calculated mill rate for that taxing district to the final base year taxable
16 valuation of any taxable property, taxable mobile homes, and property exempt by
17 local discretion or charitable status which is not included in the taxing district for
18 the budget year but was included in the taxing district for the base year.
- 19 b. Increased by an amount equal to the sum determined by the application of the
20 base year's calculated mill rate for that taxing district to the final budget year
21 taxable valuation of any taxable property ~~or~~, taxable mobile homes, and property
22 exempt by local discretion or charitable status which was not included in the
23 taxing district for the base year but which is included in the taxing district for the
24 budget year.
- 25 c. Reduced to reflect expired temporary mill levy increases authorized by the
26 electors of the taxing district. For purposes of this subdivision, an expired
27 temporary mill levy increase does not include a school district general fund mill
28 rate exceeding one hundred ten mills which has expired or has not received
29 approval of electors for an extension under subsection 2 of section 57-64-03.
- 30 d. Increased, for a school district determining its levy limitation under this section,
31 by the amount the school district's mill levy reduction grant under section

1 57-64-02 for the base year exceeds the amount of the school district's mill levy
2 reduction grant under section 57-64-02 for the budget year.

3 e. Reduced for a school district determining its levy limitation under this section, by
4 the amount the school district's mill levy reduction grant under section 57-64-02
5 for the budget year exceeds the amount of the school district's mill levy reduction
6 grant under section 57-64-02 for the base year.
