

Introduced by

1 A BILL for an Act to require the state board of higher education to assess and evaluate a
2 success-based higher education funding method; and to provide for a report.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. SUCCESS-BASED HIGHER EDUCATION FUNDING METHOD – REPORT.**

5 During the biennium beginning July 1, 2013, and ending June 30, 2015, the state board of
6 higher education shall assess and evaluate the success-based higher education funding model
7 reviewed by the 2011-12 interim higher education committee. As part of the assessment and
8 evaluation, the board shall determine alternative outcomes and alternative weights to be
9 assigned to each recommended outcome in accordance with the mission of each North Dakota
10 university system institution. Prior to August 1, 2014, the board shall provide a report to the
11 legislative management regarding options to implement the success-based funding method and
12 alternatives recommended by the board. As part of the report, the board shall provide a
13 comparative analysis of current appropriations for each university system institution and the
14 amount of funding that would have been appropriated to each institution during the first year of
15 the 2013-15 biennium through the success-based funding method and alternatives
16 recommended by the board.
