10 absentee ballot is found to be insufficient, or that the signatures on the application and affidavit  
11 do not correspond, or that the applicant is not then a duly qualified elector of the precinct, the  
12 vote may not be allowed, but without opening the absent voter's envelope, the election  
13 inspector or election judge shall mark across the face thereof "rejected as defective" or  
14 "rejected as not an elector", as the case may be. These rejected ballots are then turned over to  
15 the county canvassing board for final determination of eligibility. The subsequent death of an
