8 **(Effective after July 31, 2017~~December 31, 2015~~) Election.**

9 1. The board shall provide an opportunity for each eligible employee who is a member of  
10 the public employees retirement system on ~~September 30, 2001, and who has not~~  
11 ~~made a written election under this section~~June 30, 2016, to transfer to the defined  
12 contribution retirement plan ~~before October 1, 2001, to elect~~by electing in writing to  
13 terminate membership in the public employees retirement system and elect to become  
14 a participating member under this chapter. Except as provided in section 54-52.6-03,  
15 an election made by an eligible employee under this section is irrevocable. ~~The board~~  
16 ~~shall accept written elections under this section from eligible employees during the~~  
17 ~~period beginning on July 1, 1999, and ending 12:01 a.m. December 14, 2001. An~~  
18 ~~eligible employee who does not make a written election or who does not file the~~  
19 ~~election during the period specified in this section continues to be a member of the~~  
20 ~~public employees retirement system. An eligible employee who makes and files a~~  
21 ~~written election~~transfers to the defined contribution plan under this section ceases to  
22 be a member of the public employees retirement system ~~effective twelve midnight~~  
23 ~~December 31, 2001; and~~ becomes a participating member in the defined contribution  
24 retirement plan under this chapter ~~effective 12:01 a.m. January 1, 2002; and waives all~~  
25 of that person's rights to a pension, annuity, retirement allowance, insurance benefit,  
26 or any other benefit under the public employees retirement system ~~effective~~  
27 ~~December 31, 2001. This section does not affect a person's right to health benefits or~~  
28 retiree health benefits under chapter 54-52.1. An eligible employee who is first  
29 employed and entered upon the payroll of that person's employer ~~after September 30,~~  
30 ~~2001,~~ may make an election to participate in the defined contribution retirement plan  
31 established under this chapter at any time during the ~~first six months after the date of~~

1            employment. If the board, in its sole discretion, determines that the employee was not  
2            adequately notified of the employee's option to participate in the defined contribution  
3            retirement plan, the board may provide the employee a reasonable time within which  
4            to make that election, which may extend beyond the original six-month decision  
5            window period beginning July 1, 2016, and ending December 31, 2016.

- 6            2. If an individual who is a deferred member of the public employees retirement system  
7            on September 30, 2001December 31, 2015, is reemployed and by virtue of that  
8            employment is again eligible for membership in the public employees retirement  
9            system under chapter 54-52, the individual may elect in writing to remain a member of  
10           the public employees retirement system or if eligible to participate in the defined  
11           contribution retirement plan established under this chapter to terminate membership in  
12           the public employees retirement system and become a participating member in the  
13           defined contribution retirement plan established under this chapter. An election made  
14           by a deferred member under this section is irrevocable. The board shall accept written  
15           elections under this section from a deferred member during the period beginning on  
16           the date of the individual's reemployment and ending upon the expiration of six  
17           months after the date of that reemployment. If the board, in its sole discretion,  
18           determines that the employee was not adequately notified of the employee's option to  
19           participate in the defined contribution retirement plan, the board may provide the  
20           employee a reasonable time within which to make that election, which may extend  
21           beyond the original six-month decision window. A deferred member who makes and  
22           files a written election to remain a member of the public employees retirement system  
23           retains all rights and is subject to all conditions as a member of that retirement system.  
24           A deferred member who does not make a written election or who does not file the  
25           election during the period specified in this section continues to be a member of the  
26           public employees retirement system. A deferred member who makes and files a  
27           written election to terminate membership in the public employees retirement system  
28           ceases to be a member of the public employees retirement system effective on the  
29           last day of the payroll period that includes the date of the election; becomes a  
30           participating member in the defined contribution retirement plan under this chapter  
31           effective the first day of the payroll immediately following the date of the election; and

1 waives all of that person's rights to a pension, an annuity, a retirement allowance,  
2 insurance benefit, or any other benefit under the public employees retirement system  
3 effective the last day of the payroll that includes the date of the election. This section  
4 does not affect any right to health benefits or retiree health benefits to which the  
5 deferred member may otherwise be entitled.

- 6 3. An eligible employee who elects to participate in the retirement plan established under  
7 this chapter must remain a participant even if that employee ~~returns to the classified-~~  
8 ~~service or~~ becomes employed by a political subdivision that participates in the public  
9 employees retirement system. The contribution amount must be as provided in this  
10 chapter, regardless of the position in which the employee is employed.

11 Notwithstanding the irrevocability provisions of this chapter, if a member who elects to  
12 participate in the retirement plan established under this chapter becomes a supreme  
13 or district court judge, becomes a member of the highway patrol, becomes employed  
14 in a position subject to teachers' fund for retirement membership, or becomes an  
15 employee of the board of higher education or state institution under the jurisdiction of  
16 the board who is eligible to participate in an alternative retirement program established  
17 under subsection 6 of section 15-10-17, the member's status as a member of the  
18 defined contribution retirement plan is suspended, and the member becomes a new  
19 member of the retirement plan for which that member's new position is eligible. The  
20 member's account balance remains in the defined contribution retirement plan, but no  
21 new contributions may be made to that account. The member's service credit and  
22 salary history that were forfeited as a result of the member's transfer to the defined  
23 contribution retirement plan remain forfeited, and service credit accumulation in the  
24 new retirement plan begins from the first day of employment in the new position. If the  
25 member later returns to employment that is eligible for the defined contribution plan,  
26 the member's suspension must be terminated, the member again becomes a member  
27 of the defined contribution retirement plan, and the member's account resumes  
28 accepting contributions. At the member's option, and pursuant to rules adopted by the  
29 board, the member may transfer any available balance as determined by the  
30 provisions of the alternate retirement plan into the member's account under this  
31 chapter.

- 1       4. After consultation with its actuary, the board shall determine the method by which a  
2       participating member or deferred member may make a written election under this  
3       section. If the participating member or deferred member is married at the time of the  
4       election, the election is not effective unless the election is signed by the individual's  
5       spouse. However, the board may waive this requirement if the spouse's signature  
6       cannot be obtained because of extenuating circumstances.
- 7       5. If the board receives notification from the internal revenue service that this section or  
8       any portion of this section will cause the public employees retirement system or the  
9       retirement plan established under this chapter to be disqualified for tax purposes  
10      under the Internal Revenue Code, then the portion that will cause the disqualification  
11      does not apply.
- 12     6. A participating member who becomes a temporary employee may still participate in  
13      the defined contribution retirement plan upon filing an election with the board within  
14      one hundred eighty days of transferring to temporary employee status. The  
15      participating member may not become a member of the defined benefit plan as a  
16      temporary employee. The temporary employee electing to participate in the defined  
17      contribution retirement plan shall pay monthly to the fund an amount equal to  
18      ~~eight~~fourteen and twelve-hundredths percent times the temporary employee's present  
19      monthly salary. ~~The amount required to be paid by a temporary employee increases~~  
20      ~~by two percent times the temporary employee's present monthly salary beginning with~~  
21      ~~the monthly reporting period of January 2012, and with an additional increase of two~~  
22      ~~percent, beginning with the monthly reporting period of January 2013, and with an~~  
23      ~~additional increase of two percent, beginning with the monthly reporting period of~~  
24      ~~January 2014.~~ The temporary employee shall also pay the required monthly  
25      contribution to the retiree health benefit fund established under section 54-52.1-03.2.  
26      This contribution must be recorded as a member contribution pursuant to section  
27      54-52.1-03.2. An employer may not pay the temporary employee's contributions. A  
28      temporary employee may continue to participate as a temporary employee until  
29      termination of employment or reclassification of the temporary employee as a  
30      permanent employee.

1           7. A former participating member who has accepted a retirement distribution pursuant to  
2           section 54-52.6-13 and who subsequently becomes employed by an entity different  
3           from the employer with which the member was employed at the time the member  
4           retired but which does participate in any state-sponsored retirement plan may, before  
5           reenrolling in the defined contribution retirement plan, elect to permanently waive  
6           future participation in the defined contribution retirement plan, whatever plan in which  
7           the new employing entity participates, and the retiree health program and maintain  
8           that member's retirement status. Neither the member nor the employer are required to  
9           make any future retirement contributions on behalf of that employee.

10          **SECTION 6.** Section 54-52.6-02.1 of the North Dakota Century Code is created and  
11 enacted as follows:

12          **54-52.6-02.1. (Effective January 1, 2016) Membership.**

13          1. All eligible employees are participating members.  
14          2. A temporary employee may elect, within one hundred eighty days of beginning  
15          employment, to participate in the defined contribution retirement plan under this  
16          chapter. The temporary employee electing to participate in the defined contribution  
17          retirement plan shall pay monthly to the fund an amount equal to fourteen and twelve-  
18          hundredths percent times the temporary employee's present monthly salary. The  
19          temporary employee shall also pay the required monthly contribution of the retiree  
20          health benefit fund established under section 54-52.1-03.2. This contribution must be  
21          recorded as a member contribution pursuant to section 54-52.1-03.2. An employer  
22          may not pay the temporary employee's contributions. A temporary employee may  
23          continue to participate as a temporary employee in the public employees retirement  
24          system until termination of employment.

25          **SECTION 7. AMENDMENT.** Section 54-52.6-03 of the North Dakota Century Code is  
26 amended and reenacted as follows:

27          **54-52.6-03. (Suspended from October 1, 2013, through July 31, 2017December 31,**  
28 **2015) Transfer of accumulated fund balances.**

29          For an individual who elects to terminate membership in the public employees retirement  
30 system under chapter 54-52, the board shall transfer a lump sum amount from the retirement  
31 fund to the participating member's account in the defined contribution retirement plan under this

1 chapter. However, if the individual terminates employment prior to receiving the lump sum  
2 transfer under this section, the election made under section 54-52.6-02 is ineffective and the  
3 individual remains a member of the public employees retirement system under chapter 54-52  
4 and retains all the rights and benefits provided under that chapter. The board shall calculate the  
5 amount to be transferred ~~for persons employed before October 1, 2001~~, using the two following  
6 formulas, and shall transfer the greater of the two amounts obtained:

- 7 1. The actuarial present value of the individual's accumulated benefit obligation under the  
8 public employees retirement system based on the assumption that the individual will  
9 retire under the earliest applicable normal retirement age, plus interest from January 1,  
10 2001, to the date of transfer, at the rate of one-half of one percent less than the  
11 actuarial interest assumption at the time of the election; or
- 12 2. The actual employer contribution made, less vested employer contributions made  
13 pursuant to section 54-52-11.1, plus compound interest at the rate of one-half of one  
14 percent less than the actuarial interest assumption at the time of the election plus the  
15 employee account balance.

16 ~~The board shall calculate the amount to be transferred for persons employed after~~  
17 ~~September 30, 2001, using only the formula contained in subsection 2.~~

18 **SECTION 8. AMENDMENT.** Section 54-52.6-10 of the North Dakota Century Code is  
19 amended and reenacted as follows:

20 **54-52.6-10. Vesting.**

21 A participating member is immediately one hundred percent vested in that member's  
22 contributions made to that member's account under this chapter. A participating member vests  
23 one hundred percent vested in the employer contributions made on that member's behalf  
24 ~~upon to an account under this chapter according to the following schedule:~~

- 25 1. ~~Upon completion of two years~~ one year of service, ~~fifty percent.~~
- 26 2. ~~Upon completion of three years of service, seventy-five percent.~~
- 27 3. ~~Upon completion of four years of service, one hundred percent.~~

28 A participating member also becomes one hundred percent vested in the employer  
29 contributions upon reaching age sixty-five. A participating member who was a member or  
30 deferred member of the public employees retirement system under chapter 54-52 who makes  
31 an election to participate in the defined contribution retirement plan pursuant to this chapter

1 must be credited with the years of service accrued under the public employees retirement  
2 system on the effective date of participation in the defined contribution retirement plan for the  
3 purpose of meeting vesting requirements for benefits under this section. Any forfeiture as a  
4 result of the failure of a participating member to vest in the employer contribution must be  
5 deposited in the administrative expenses account.

6 **SECTION 9. PUBLIC EMPLOYEES RETIREMENT SYSTEM - ESTIMATE OF**  
7 **ACCUMULATED BALANCE TRANSFER.** For the period beginning January 1, 2016, and  
8 ending June 30, 2017, upon the request of an individual who is eligible for termination of  
9 membership in the public employees retirement system under chapter 54-52 as provided for in  
10 Subsection 1 of Section 54-52.6-02, the public employees retirement system shall estimate the  
11 individual's accumulated balance transfer amount by calculating the actuarial present value of  
12 the individual's accumulated benefit obligation under the public employees retirement system  
13 based on the assumption that the individual will retire under the earliest applicable normal  
14 retirement age.
