FIRST DRAFT:

Prepared by the Legislative Council staff for Legislative Procedure and Arrangements

March 2014

PROPOSED AMENDMENTS TO SENATE RULE 401

- 1 **SECTION 1. AMENDMENT.** Senate Rule 401 is amended as follows:
- 2 401. Who may introduce Joint sponsorship Prefiling.
 - Any bill or resolution that conforms to statutory requirements and these rules, within
 the number and time prescribed, may be introduced by any member, standing
 committee, or the Legislative Management, by filing the bill or resolution with the
 Secretary, who shall number consecutively each bill or resolution.
 - Any bill or resolution may have, following and separate from the name or names of the Senate sponsor or sponsors, the name of each sponsor from the House. A <u>Senate</u> bill or resolution may not have more than six members of the Legislative Assembly as sponsors.
 - 3. Any bill or resolution may be introduced after the organizational session adjourns and before the convening of the regular session by prefiling the bill or resolution with the Legislative Council. The Legislative Council shall number those bills and resolutions, identify the sponsoring committee as assigned by the Majority Leader of the Senate, arrange for the posting of notice of hearing, and deliver those bills and resolutions to the Secretary. Prefiled bills and resolutions may not be withdrawn, except on the floor of the Senate in the manner provided by the rules. Prefiled bills and resolutions are not confidential.

NOTE: This proposed rules amendment is in response to the House amending House Rule 401 on January 10, 2013, to allow 12 members of the Legislative Assembly as sponsors of bills and resolutions. Without the proposed amendment, technically, Senate Rule 401 prohibits the Senate from accepting House bills or resolutions that have more than 6 sponsors.
