2           company.
- 3           a.   The restructured company shall retain any additional authority granted to the  
4           restructured company as a nonprofit mutual insurance company under this  
5           section and the restructured company shall remain subject to subsections 3, 4, 5,

7           chapter 10-33.

17          26.1-12-06, 26.1-12-07, 26.1-12-14, and 26.1-12-16. After restructuring under  
18          this subsection, chapter 26.1-12.1 does not apply to the restructured company or  
19          the restructured company's nonprofit holding corporation parent.
- 20          e.   The membership interests of the members of the restructuring company must be  
21          converted into membership interests in the nonprofit holding corporation;  
22          however, notwithstanding section 26.1-12-14, upon the effective date of the  
23          restructuring, such membership interests may be weighted or otherwise adjusted  
24          to reflect the number of subscribers covered under a particular policy.  
25          Concomitantly with the restructuring, and without complying with sections  
26          26.1-10-05 and 26.1-10-05.1, the restructuring company may transfer or assign  
27          the restructuring company's shares, membership units, or other incidents of  
28          ownership in one or more of the restructuring company's subsidiaries and

5           pertinent to the restructuring to the commissioner. The commissioner shall  
6           approve the restructuring unless, after a public hearing, the commissioner finds:  
7           (1) After the change of control, the domestic insurance company referenced in  
8           subsection 1 would not be able to satisfy the requirements for the issuance  
9           of a certificate of authority to write the lines of insurance for which the  
10           domestic insurance company is presently licensed;  
11           (2) The effect of the merger or other acquisition of control would be to  
12           substantially lessen competition in insurance in this state or tend to create a  
13           monopoly in this state;  
14           (3) The financial condition of any acquiring party might jeopardize the financial  
15           stability of the insurance company or prejudice the interest of the insurance  
16           company's policyholders;  
17           (4) The acquiring party's plans or proposals to liquidate the insurance company,  
18           to sell the insurance company's assets, to consolidate or merge with any  
19           person, or to make any other material change in the insurance company's  
20           business or corporate structure or management are unfair and  
21           unreasonable to policyholders of the company and are not in the public  
22           interest;  
23           (5) The competence, experience, and integrity of those persons that would  
24           control the operation of the insurance company are such that it would not be  
25           in the interest of policyholders of the company and of the public to permit  
26           the merger or other acquisition of control; or  
27           (6) The acquisition is likely to be hazardous or prejudicial to the insurance  
28           buying public.  
29           g. Within thirty days of submission of the application to the commissioner under this  
30           subsection, the commissioner shall make written findings, conclusions, and a  
31           determination on the application.
