23 initially placed in service, and the taxable valuation as otherwise determined by law on the
24 transmission line and its associated transmission substations must be reduced by:

- 25 1. Seventy-five percent for the second taxable year of operation of the transmission line.
26 2. Fifty percent for the third taxable year of operation of the transmission line.
27 3. Twenty-five percent for the fourth taxable year of operation of the transmission line.

28 After the fourth taxable year of operation of the transmission line, the transmission line and

30 at the rate of three hundred dollars per mile [1.61 kilometers] or fraction thereof of the line
31 located in this state. The per mile tax imposed by this section applies to the transmission line

1 and its associated transmission substations and is subject to allocation among counties in the
2 proportion that the miles of that transmission line in the county bears to the miles of that
3 transmission line in the state. ~~Revenues received by each county must be deposited in the~~
4 ~~county general fund.~~

5 For purposes of this section, "initially placed in service" includes both new construction and
6 substantial expansion of the carrying capacity of a preexisting line, and "substantial expansion"
7 means an increase in carrying capacity of fifty percent or more.

8 **SECTION 10.** A new subsection to section 57-13-04 of the North Dakota Century Code is

16 created and enacted as follows:

17 **General partner in a limited liability limited partnership liability.**

18 If a limited liability limited partnership taxable under this chapter fails for any reason to file
19 the required returns or to pay the tax due, the general partners, jointly or severally, charged with
20 the responsibility for the preparation of the returns and payment of the tax are personally liable
21 for the partnership's failure. The dissolution of a limited liability limited partnership does not
22 discharge a general partner's liability for a prior failure of the partnership to file a return or remit
23 the tax due. The taxes, penalty, and interest may be assessed and collected pursuant to the
24 provisions of this chapter. If the general partners elect not to be personally liable for the failure
25 to file the required returns or to pay the tax due, the limited liability limited partnership must
26 make a cash deposit or post with the commissioner a bond or undertaking executed by a surety
27 company authorized to do business in this state. The cash deposit, bond, or undertaking must

4 file the required returns or pay the tax due, any of its officers, governors, or managers having
5 control or supervision of, or charged with the responsibility for making, the returns and
6 payments, are personally liable for the failure. The dissolution of a corporation or limited liability
7 company does not discharge an officer's, a governor's, or a manager's liability for a prior failure
8 of the corporation or limited liability company to make a return or remit the tax due. The sum
9 due for such a liability may be assessed and collected under this chapter for the assessment
10 and collection of other liabilities. If the officers, governors, or managers elect not to be
11 personally liable for the failure to file the required returns or to pay the tax due, the corporation
12 or limited liability company must make a cash deposit or post with the commissioner a bond or
13 undertaking executed by a surety company authorized to do business in this state. The cash
14 deposit, bond, or undertaking must be in an amount equal to the estimated annual tax liability of
15 the corporation or limited liability company.

17 as follows:

18 **57-36-09.6. General partner in a limited liability limited partnership liability.**

- 19 1. If a limited liability limited partnership taxable under this chapter fails for any reason to
20 file the required returns or to pay the tax due, the general partners, jointly or severally,
21 charged with the responsibility for the preparation of the returns and payment of the
22 tax are personally liable for the partnership's failure. The dissolution of a limited liability
23 limited partnership does not discharge a general partner's liability for a prior failure of
24 the partnership to file a return or remit the tax due. The taxes, penalty, and interest
25 may be assessed and collected pursuant to the provisions of this chapter.
- 26 2. If the general partners elect not to be personally liable for the failure to file the required
27 returns or to pay the tax due, the limited liability limited partnership must make a cash
28 deposit or post with the commissioner a bond or undertaking executed by a surety
29 company authorized to do business in this state. The cash deposit, bond, or
30 undertaking must be in an amount equal to the estimated annual tax liability of the
31 limited liability limited partnership.
