This bill would require an estimated \$300,000 general fund appropriation to defend if challenged. If the challenging party prevails, the state would need to reimburse the party for attorney's fees and other costs. In addition, the Office of Attorney General estimates there would be legal defense work completed by this office and would likely result in additional costs for depositions, travel, expert witness fees, etc.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*

The Office of Attorney General anticipates a \$300,000 general fund appropriation would be needed to defend this bill if challenged.
