30 The governing body of any county may levy a tax for emergency purposes not exceeding  
31 the limitation in subsection ~~229~~ of section 57-15-06.7. The emergency fund may not be

1 considered in determining the budget or the amount to be levied for each fiscal year for normal  
2 tax purposes but must be shown in the budget as an "emergency fund" and may not be  
3 deducted from the budget as otherwise provided by law. Each county may create an emergency  
4 fund, and all taxes levied for emergency purposes by any county, when collected, must be  
5 deposited in the emergency fund, and must be used only for emergency purposes caused by  
6 the destruction or impairment of any county property necessary for the conduct of the affairs of  
7 the county, or emergencies caused by nature ~~or by the entry by a court of competent jurisdiction~~  
8 ~~of a judgment for damages against the county.~~ The emergency fund may not be used for the  
9 purchase of road equipment. The emergency fund may not be used for any road construction or  
10 maintenance, except for repair of roads damaged by nature within sixty days preceding the  
11 determination to expend emergency funds; however, the emergency fund may be used to  
12 match federal funds appropriated to mitigate damage to roads related to a federally declared  
13 disaster that occurred more than sixty days preceding the determination. Any unexpended  
14 balance remaining in the emergency fund at the end of any fiscal year must be kept in the fund.  
15 When the amount of money in the emergency fund, plus the amount of money due the fund  
16 from outstanding taxes, equals the amount produced by a levy of five mills on the taxable  
17 valuation of property in a county with a population of thirty thousand or more, ten mills on the  
18 taxable valuation of property in a county with a population of less than thirty thousand but more  
19 than five thousand, or fifteen mills on the taxable valuation of property in a county with a  
20 population of five thousand or fewer, the levy authorized by this section must be discontinued,  
21 and no further levy may be made until required to replenish the emergency fund.
