

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1232

Page 1, line 2, replace "approval of local road remediation plan" with "an agreement on haul roads"

Page 1, replace lines 6 through 19 with:

**"County may provide agreement on haul road for township.**

Upon the request of a township, a county may act for that township in making an agreement with a contractor to use a township road and to restore the township road after the contractor uses the township road for the movement of construction equipment and materials for a project. The agreement may include terms on maintenance, the inspection and recording of preexisting condition of the road, and standards for restoration."

Renumber accordingly
